The fair directors provided a lecture and entertainment in the town hall on the evening of fair day which was well attended by those anxious to see and hear R. R. Gamey, M. P. P., "the man from Manitoulin." The speaker was introduced by Dr. Sproule M. P. Mr. Gamey has strong faith in our great northern inheritance and gave his hearers reason for the faith that is in him. We have in this province the greatest mineral belt in the world—700 miles long by 200 to 300 wide—great forests of timber and immense areas of tillable lands. The mines are our greatest asset and these have only been scratched as yet. The speaker gave some very interesting facts regarding our ore products, showing the difficulties we are laboring under by not having our own smelters and refineries for the precious metals, and described the process of nickel production. He also described the cobalt ores, new to metallurgy, and said the smelter would not give value for anything in these ores but the silver, and as a consequence owners of mines were not shipping the most valuable of the cobalt ore. A vote of thanks was passed. During the day Mr. Gamey was kept busy shaking hands with old and new friends. The ladies were particularly insistent upon shaking the hand of the man whose personality is so well known through the exciting events of a couple of years ago. Mr. Gamey spent Sunday with his cousin, Josiah, who lives near Maxwell.

Dr. Geo. Armstrong Dead

A telegram arrived here Tuesday morning announcing the death of Dr. George Armstrong of Spokane, after an illness of about six weeks. The deceased gentleman was the eldest son of Mrs. J. W. Armstrong of this place. He was twice married, the last time to a Spokane lady about four months ago. He leaves no children. The cause of death is said to be Bright's disease and heart trouble. Dr. Armstaong was only 48 years of age The remains will be interred at Spokane.

Gilbert—Warling.

A very pretty wedding took place at the residence of Mr. and Mrs. J. McLaughlin, Flesherton, on Wednesday Sept. 26, when Miss Ethel Florence Warling and Mr. Sydney Gilbert were united in the holy bonds of matrimony in the presence of a number of guests. The bride was daintily attired in a white dotted muslin dress, trimmed with all-over lace, white satin baby ribbon and Valenciennes lace. She was attended by her cousin, Miss Eva Gilbert, who looked pretty in a navy blue skirt and white silk waist, trimmed with lace and blue ribbons. The groom was supported by Mr. Porter Beard. The groom's gift to the bride was a beautiful diamond crescent and to the bridesmaid a gold wish-bone brooch set with diamonds, and to the groomsman a gold stick pin. After the ceremony the company sat down to an elegant wedding dinner. The young couple will take a trip and then reside at Vandeleur. The wedding ceremony was performed by Rev. Dr. Caldwell. The Advance extends congratulations and best wishes to the highly respected couple.

An Awful Cough Cured

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing just like one with the whooping cough, and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by H. E. Douglass and W.E. Richardson.
