W H. Thurston- Editor

Flesherton Methodist Church

Epworth League Thursday evening at 8 p.m., in charge of the Literary Department.

Services Sunday morning and evening. Rev. C. Otten of Corbetton will preach.

At Epworth League Monday evening next the subject of "Mother in the home" will be taken up. Every person, young or old, is invited to both League meetings.

The Eugenia Power Will Supply Us All

T. C. James, assistant engineer for the hydro, met the members of the Owen Sound electric committee on Wednesday of last week, and the latter body decided to recommend the acceptance of 1500 horsepower from the Commission, at $29 per horsepower.

After the meeting Mr. James, when seen by The Times, had some information with respect to the plans of the hydro.

"When do you think the plant will be completed and the 'juice' turned on?" he was asked by the reporter.

"Well," Mr. James replied, "I think it should be alrendy to be turned into the lines of the town by the late spring or early summer of 1914. You see, the plans are all ready for the developments to go ahead at Eugenia. As soon as the commission gets the signed contract of the town they will begin work at once, this fall. They are all ready and all they await is the final word of the town in this respect."

"What power will there be available?"

"On a conse vative estimate there will be twelve hundred horse power wi hout storage and with some small development work in the way of erecting reservoirs there will be easily twice that amount all the time. Of course with the storage system extended to take in other features of the watershed there would be four or five thousand horse power available, or enough for this district for years to come. But this will not be necessary, because it was actually shown last June, at a time when the water flow was low, that three thousand horse power could be developed without trouble. You will readily appreciate what I mean when I say that three thousand horse power in the summer is equivalent to much more than that amount in the winter, because in the winter there is the overlapping of the loads occasioned by the fact that at certain times in the day the light and the power loads are both on at one and the same time, and this gives what is known as the peak or maximum load. Therefore, unless the town's peak load were very great indeed, the power which can be generated in the lowest summer months will prove to be quite ample for years to come."

Asked if the twenty-nine dollars per horse power covered everything in the cost to the town of the new power, Mr. James replied, "That will place the current in the stepping down station at your town and stepped down to go right on your wires."

"What was the particular object of your trip here today?"

"To find what the town intended doing with respect to hydro. The commission wanted to know just where they were at with respect to Owen Sound and as a consequence I was sent here to put thh matter up to the council. I am glad the committee have acted as they have. The commission will go ahead with the development at once. I may say the municipalities of Chatsworth, Flesherton and Markdale have asked for quotations on amounts of power varying from fifty to one hundred and fifty horse power."

"Would there be sufficient power at Eugenia to supply the neighboring countryside with energy?

"There is power enough at the falls to supply the whole district, all the towns within reasonable radius, with power. Durham, Hanover, Chesley, all of them, may have hydro if they want it. And just as soon as the lines were put in the locality will be in line to take hydro power. This has been the experience in other places. Just as soon as the lines were put in and proved to be effective and economical everybody wanted to share in the benefits."

Ram Lambs For Sale

Some nice fine bred Oxford Down Ram lambs with good breeding and quality at right prices.—Richard Allin, R.R. No. 3, Flesherton. Telephone in connection

Children Out At Night

Many resolutions have been passed by benovelent and philanthropic organizations, many sermons delivered, many editorials written by leading newspapers and magazines, many personal suggestions made, that the law dealing with children on the streets and in parks after dark should be more stringent. At the recent session of the Ontario Legislature these numerous requests have been met, and the amended law is as follows:

Sec. 17—(1) No child, under sixteen, shall loiter in any public place after nine o'clock in the evenihg, or be there unless accompanied by his parent or guardian or an adult appointed by the parent or guardian to accompany such child.

(2) A child found in a public place after the hour named in subsection 1, unless so accompanied may be warned to go home by any constable or probation officer or officer of a Children's Aid Society, and after such warning the child is found loitering in a public place such child may be taken by the constable or officer to its home, or the Children's Shelter.

(3) A parent who permits his child to violate this section shall for the first offence incur a penalty of $1 without costs, and for a second offence $2, and for a third, or any subsequent offence, $5. 8 Edw. VII. c. 59, amended.

Sec. 2 (k) "Public Place" shall mean a street, highway, or lane, whether a thoroughfare, or not, and a tavern or other place of public resort, and generally, any places to which the public have or are permitted to have access.

Jimmy's High Notes

Hon. James Duff, the Minister of Agriculture in the Whitney Government, is the possessor of a very high pitched voice His office in the Parliament Buildings at Queen's Park, is on the ground floor, while that occupied by Sir James is on the first floor, some distance away. A few days ago Mr. Duff was talking over the long distance telephone to Mrs. Duff, who was in Cookstown. The high pitched voice was in full blast—In fact, Mr. Duff's conversation with his better half was plainly audible all over the building. The windows of Premier Whitney's room were open, and hearing the noise, he sent his secretary, Horace Wallis, to investigate where it came from.

Mr. Wallis returned shortly and said apologetically: "It is Mr. Duff speaking to his wife in Cookstown."

"Go back and tell him to use the telephone," was the terse rejoinder of the Czar of Queen's Park.—Toronto Saturday Night

Osprey Council

The municipal Council of Osprey township met at Singhampton on Oct. 4th. The members were all present. After reading and adopting the minutes of the last meeting the following communications, accounts, etc., were received; Edw. Madden and Wm. Inglis, claim for sheep killed by dogs; Municipal World, account $5.84, Collector's Rolls and other forms; County Treasurer, list of arrears of taxes and tax sale list; R. J. Thurston, account $78.00 for printing Voters' List and other printing; Herald office, Dundalk, account 75c, printing; Andrew Jordon, claiming settlement for and taken for deviation road ontownline, Nottawasaga and Osprey; Ernest Hawton, regarding the opening of certain streets in Feversham. Orders were issued on the Treasurer to pay Herald office, Dundalk 75c, Geo. Linley $7.50, repairing grader, W. H. Thurston $78, printing account, South Grey Registry office $2.16, fees re telephone bylaw, Henry Heitman $5, clerk's postage, Municipal World $1.04, debenture forms, Thos Scott $2.90 express, etc., Thos. Scott $3.20, expenses getting legal advice re hospital account, Thos. Scott $35.00, service regarding telephone system. The clerk was instructed to notify Jas. Speers to remove his fence and other obstructions from off Peel street, Feversham. The Clerk was also instructed to communicate with the Reeve of Melancthon and with Mr. Traynor, C. E. to make arrangements at as early a date as possible to meet Mr. Thomson, Reeve of Osprey, and arrange for the draining of the townline at the "Green Sea."

The council adourned to meet at Feversham, on Saturday, Nov. 8th next.

NEW CONVENIENT TRAIN TO WINNIPEG

CANADIAN PACIFIC

The popularity of Canadian Pacific service, and the excellence of that road's equipment, has been so greatly apreciated by the travelling public that it has been found necessary to put into service an entirely new Through Standard Express Train between Toronto and Winnipeg.

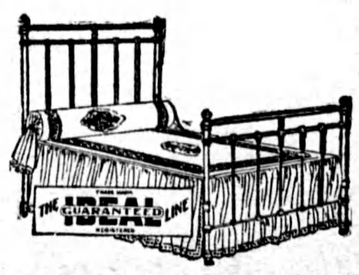
Commencing Sunday, October 26th, the "Gate City Express" will leave Toronto at 2.30 p. m., and will run daily thereafter, arriving Winnipeg at 8.25 a. m. second morning. The train will consist of the highest-class modern equipment: Observation Compartment Car, Standard Sleeping Cars, Tourist Sleeping Car, Dining Car, First-class Coach and Colonist Car. This will be found the most convenient and the best train between Toronto and Winnipeg on account of the daylight departure from Toronto at an hour when the Union Station is not badly congested, and also on account of the early hour of arrival at Winnipeg.

The present "Vancouver Express" will continue to leave Toronto at 10.20 p. m. daily and will consist of the same equipment as the "Gate City Express." This train is the best to take for points west of Winnipeg, but for Winnipeg and east the "Gate City Express" is the right train to travel by.

Full particulars from any Canadian Pacific Agent or write M. G. Murphy District Passenger Agent, Toronto.

Youth Threw Stone

Monday night Miss Lottie Patterson, a daughter of Councillor Alex. Patterson, of Amaranth, was seriously injured by a stone thrown by a Barnardo Home boy named Cox. The affair happened shortly after the close of one of a series of revival meetings which two lady evangelists are holding in the Farmington school house. Miss Patterson was driving home from the meeting in company with a young man named Stanley Brown. The missile struck her fairly in the mouth breaking two of her front teeth and cracking three more. Her mouth is also badly cut and bruised. Dr. Carson, was summoned, brought the injured girl to Lord Dufferin Hospital, where she was attended by himself and Dr. Campbell, the latter doing what he could to right the damaged teeth. It is said that Cox, who works for David Trimble, a farmer near Fraxa Junction, had been pressing his attentions upon Miss Patterson and it is surmsied that the stone was thrown in a fit of anger and jealously at seeing her in the company of another young man. Legal proceedings were threatened, but we understand Cox settled by agreeing to pay $100.—Banner.



Do You Ever Sleep?

If you do you will be wise to pay attention.

I am at the present time making a Specialty of Iron Beds. The original of the picture given at the head of this advertisement will only cost you

$5.00 5.00 $5.00

Get something nice and comfortable on which to lay your weary head. Of course we have other beds at other prices, all equally low in price—Sanitary Beds such as everybody wants. Springs and Mattresses to fit all beds. Examine our stock anyway, before purchasing your sleep inducers.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Harbour Improvements at Thornbury Ont.," will be received at this office until 4 P. M., on Wednesday, October 29, 1913, for the Harbour Improvements at Thornbury, Grey County, Ontario.

Plans, specification and form of contract can be seen and forms of tender obtained at this Department and at the offices of J. G. Sing, Esq., District Engineer, Confederation Life Building, Toronto, Ont., J.H. Armstrong, Esq., District Engineer Midland Ont., and on application to the Postmaster at Thornbury Ont.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of Public Works, equal to ten (10) per cent. of the amount of the tender, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned

The Department does not bind itself to accept the lowest or any tender.

By order,
F. C. DESROCHERS,
Secretary.
