RECORD OF CENTRE GREY LEAGUE

Official standing of the teams, Aug. 2

	Won	Lost	P.C.
Vandeleur	7	0	1000
Ceylon	8	2	.800
Dundalk	5	3	.625
Flesherton	6	5	.545
Rocklyn	3	4	.428
Eugenia	2	5	.285

Rocklyn 16, Flesherton 12
Ceylon 7, Dundalk 5

GAMES THIS WEEK :
Eugenia at Rocklyn—Saturday

The hopes of the local baseball fans went a-glimmering on Wednesday last when the local ball team in the Centre Grey Baseball League were beaten by Rocklyn by the score of 16-13. This makes Flesherton's fifth loss with six wins and they have only one more game to play and that is with Vandeleur on August 12. Cargoe pitched a good game, his second this year.

Score by innings:

Flesherton—0 2 3 0 2 3 2 0 0—12
Rocklyn —5 3 0 4 2 0 0 2 x—16

The game was held between showers and good ball could not be played.

One of the best games that we have seen played in the League this year was played in Ceylon between Dundalk and Ceylon on Thursday last when the latter won 7 to 5 The game was closely contested and with quick plays, good fielding and good pitching made the game full of interest. C. Muir started in the box for Ceylon and in the three innings he pitched only allowed two runs and they came in the second. Their old reliable, Roy Gibson, then took up the twirling duties and had the Dundalk batters look sich as they walloped at the ball and—missed. He only allowed three runs and they came in the fifth and ninth. Armstrong began for Dundalk in the box and was relieved by H. Blackwell in the 4th and by "Derby" Russell, the star catcher, in the 8th, Armstrong going behind the bat

Score by innings:

Dundalk—0 2 0 0 1 0 0 0 2—5
Ceylon —2 0 0 1 0 1 0 3 x—7

Sam Pedlar's home run for Ceylon in the fifth was a feature of the game, the ball travelling over the right field fence onto the railroad track.

The Vandeleur-Ceylon game scheduled for Monday was postponed.

A picked team from Flesherton, Ceylon, Vandeleur and Rocklyn went to Walkerton on Friday and were defeated 7 6. It was a 7-inning fixture, Walkerton sending in the winning run in the 7th.

Flesherton and Ceylon combined their teams and played in the baseball tournament at Meaford on Monday, but were put out of the running in the first round by the Thornbury city team 6 to 5.

The champions of the tournament at Meaford on Monday was the fast-traveling team of Vandeleur. They played three games, Buchanan pitching all three and he seemed as strong at the last as when he began. Muir caught for Vandeleur when Bowler split his thumb in the first game. Vandeleur are to be congratulated on what they accomplished.

The Fire Ranger and His Job

DOTTED over 100,000,000 acres of forest, 1,000 men, organized in the employ of the Government of Ontario, are, this summer, passing back and forth over the canoe routes and along the railways, watching out for the tell-tale smoke which is the sign of fire. Regardless of hot weather, black flies, mosquitoes, discomfort, loneliness or monotony, the Fire Ranger makes his rounds, preventing, quenching or fighting fires in Ontario's forests, paying his own living and traveling expenses, and receiving $3.00 per day for his services.

All in all, the Ontario Fire Ranger is entitled to the help and co-operation of everyone. He deserves all the support the people of Ontario can give him. His work is of vital importance. Heed his warnings. Do what he asks.

Save Ontario's Forests
They're Yours

The Ontario Fire Ranger, during the danger period of the dry summer, is constantly on patrol to catch fires while they are small. He cannot prevent them starting, as a rule. He is at the mercy of all types of carelessness. Thanks to his vigilance, however, two-thirds of the forest fires in the last four years did not spread beyond five acres and of these, half did not exceed one-quarter acre.

Most of Ontario's Fire Rangers are northern woodsmen. Contrary to common belief, only five per cent. of them are students, and these are experienced Fire Rangers or returned soldiers.

Rangers travel chiefly by canoe and in pairs over a definite "beat", the length of which varies according to the degree of danger from fires.

Others travel up and down the forested railway sections on hand velocipedes, following trains to put out fires set by steam locomotives. In all, 2,100 miles of railroad are patrolled steadily all summer.

Two men devote their whole time to examining locomotives to see that screens and ashpans will not permit the escape of sparks and live coals. In the clay belt, a large force of Rangers supervise settlers' fires in land-clearing operations.

Don't blame the Fire Ranger if he asks you to be careful. Don't think he is too particular. He knows the risk. Ontario is poorer by untold millions of dollars through forest fires in the past. Help the Fire Ranger save the increasingly valuable forests that remain.
