F. R. Oliver Replies To Election Rumors

The Durham Chronicle is authority for the following interesting surmise on the political situation in South Grey:

From information that has leaked through to this office, it seems altogether likely that Mr. Farquhar Oliver of Artemesia Township will be the candidate for the United Farmers' party in South Grey to represent them in the next election to be held for the Ontario Legislature. It is said he is being brought out by Miss Macphail, the present member in the Dominion House, and while the Chronicle has no authority to state that the matter is definitely settled so far as our lady member is concernd, our information may be clased as more than rumor.

Mr. Oliver took an active part in the last campaign and delivered several speeches in behalf of Miss Macphail. He was on the debating team that took part in the debate in Durham rink recently, where he made a good impression on the gathering.

If he decides to stand, so far as can be seen from this distance, his opponent will be Hon. Dr. Jamieon, the present member, but this will not be definitely settled until after the Conservative convention in Flesherton on the 28th of June.

Mr. Oliver when interviewed by the Advance, declined to make any statement, but later gave out the following comment:

So the Editor of the Chronicle has entered the guessing contest. Well there is such a thing in the world as luck, but it is often elusive, and often uncertain. Still in spite of this, if the Editor of the Durham Chronicle puts up a different prospective candidate in each issue of his valuable paper, when the election date finally appears, who is there amongst us that will say he might not by a slim chance, by a mere coincidence, happen upon the one who will eventually carry the Farmer Standard. But at the least it will only be a guess, and the time of this well known and popular editor might be better employed.

[Editor's Note: It is easy to believe that there is more in the rumor than idle supposition. Mr. Oliver is a very able, and convincing speaker, and should be able to carry the responsibilities of the staid parliamenttarian. But whether he can defeat the present Conservtive member, Dr. David Jamieson, is entirely with your point of view, which means votes.]

Fawcett and Master Lloyd; Mr. and Mrs. Roy Marshall, Toronto, Misses Roda Saul, Almeda Weber, Denelda Stuart, Mr. Carl Carruthers, Meaford High School; Misses Dell Abercrombie, Allendale; Mr. J. S. Hammond of Meaford; Mr and Mrs. F. Hutchinson of Orillia and Miss Marion. There were also many fishers but not the fish. It looked as if they knew it was the 24th of May.

A very sad accident occured at the H E. P C. plant when Mr. D. Ellis came in contact with a 22,000 volt wire and was severely burned. Two nurses and Drs. are in attendance. Hopes are entertained for his recovery.

The Euphrasia Twp. S. S. convention will be held in Kimberley on June 1st

The W. I. met in the hall to make final arrangements for the 3rd of June, also to elect officers. Officers are Mrs. Russell Ellis, Pres.; Miss M. Haines, Sec.-Treas. Receipts for the year were $392.86, and an expenditure of $391.70. They expect Dundalk Dramatic Club of the United church to put on their play "The Colonel's Maid."

Anoher visitation of death, one of more than ordinary sadness, came to our community on Monday, May 17. It came to the home of Mr. and Mrs. O. Irwin and took the husband, leaving "Aunt Susie," for whom our sincere sympathy is extended. Mr. Irwin had been ill for three weeks, but no one thought of death, as all through the winter he had not missed with the mail to Flesherton. He was faithful and obliging and will long be remembered. Although the day was wet, many from a distance attended the funeral. Interment took place at Flesherton cemetery. One son Robert of Toronto, besides one sister Mrs. J. Thompson of Flesherton survives. Mrs. Irwin is making her home at present with her niece, Mrs. W. T. Ellis. Mr. Chas. Thompson of Flesherton has taken over the mail business and starts May 25.

This makes three deaths since May 1st.

Mr. and Mrs. D. L. Binns of Harkaway, and Mr and Mrs. S. McClung of Heathcote, visited with Mr and Mrs. J. Burrel recently.

Miss Peters spent the week end with her mother at Weston.

Miss Elvie Bishop of Georgetown spent the 24th with her parents.

Seven members of the Georgetown fishing club occupied their new club house over the holiday. We are sorry fishing was not good, the water being dark and deep.

W. I. Concert

The concert put on in the high school auditorium by Dundalk talent on Thursday night last was of high order and throughout the program credit was due the W. I. for the success of the evening. A fair sized house greeted the entertainers, and would no doubt have been much larger except for the busy season on the farms in the locality.

The Colonel's Maid was the subject of the comedy-drama, and the rendition was both pleasing and excellently done.

The need of a suitable stage was very apparent and the dramatizing of the subject was made much more difficult than it otherwise should have been.

Misses Elizabeth Bentham and Viola Thistlethwaite contributed a fine duet, while Laura Boyd and a whistling solo drew much merited applause, Miss Nora Bowler playing the accompaniment.

The proceeds amounted to $52 and will be devoted to Park improvement, a worthy object, and worth whole hearted support.
