SOLDIER of the

THIS year the Canadian Farmer needs your help. He needs your help to produce the food necessary for victory. Many thousands of our workers are serving in the Forces, so the Soldier of the Soil is short-handed as he is, he is called upon to produce more food than ever before. Food is one of our powerful weapons of war. Grains, by-products, eggs, beef, fruit, vegetables—these are the food of our armies, our allies and our people.
