Many a sweet 16 lives to be sweet at 60 — thanks to the drug stores and beauty parlors.

Most Canadian textile mills are located in small cities or towns, bringing employment close to people in rural areas.

In the old days a woman's face was her fortune. Now it's the druggist's.

Approximately 15,000,000 gallons of water a day are used in the manufacture of nylon at a Kingston, Ont., plant.
