CHEVROLET TRUCKS

✔Performance Leaders!

Chevrolet's great Valve-in-Head engines can do more work per gallon of gas than any other gasoline engine of the same displacement now in use. They're smooth, rugged and powerful — masters of the job!

✔Payload Leaders!

Low operating and repair costs of Chevrolet trucks are an outgrowth of finest engineering and rugged Advance-Design construction. Chevrolet trucks let you deliver the goods with real reduction in cost per ton per mile.

✔Popularity Leaders!

For the last full year, Chevrolet outsold all competition. That's evidence of owner satisfaction earned through the years — proof, yes proof beyond any question or doubt, that Chevrolet is the most-wanted truck.

✔Price Leaders!

You're money ahead with these new Chevrolet trucks! Chevrolet's rock-bottom initial cost — outstandingly low cost of operation and maintenance — and high trade-in value, all add up to the lowest price for you.

YOU can expect great things of these new Chevrolet trucks. They're the most powerful trucks Chevrolet has ever built, yet they cost surprisingly little to operate. Three rugged, wonder-working Valve-in-Head engines — the Thriftmaster 92-h.p., Loadmaster 105-h.p. and the big new 110-h.p. Torquemaster — bring you performance that saves you time and money. New Power-Jet carburetion provides smooth, quick acceleration, and the 4-Speed Synchro-Mesh transmission is standard equipment from the 1-ton to the 3-ton (optional in ½ and ¾-ton) which means faster shifting and greater safety on the grades. To you, this means wonderful new performance . . . less time on the road . . . lower cost per ton-mile. So do yourself a favor. Visit our showroom today. Chevrolet trucks—and only Chevrolet trucks—provide what you want!
