Now if it has its origin who go to the poll-and would require about perhaps be as truthful as the rest of his 365 supporters to vote, to carry a Bonus in causes Artemesia, after the date above mentioned. Now, Mr. Editor, in conclusion let me ask This explains the hurry; it is this, that the ratepayers of Markdale if they are ready gives friend Brown the fidgets. A snatch to build a union slaughter-bouse outside the vote is wanted. What does my friend care Village limits? If so I am prepared to use if the vote is barely carried by a small co- it, if not, I am not in a position to do any terie around Markdale or any other place as more than keep the one I now occupy, and to the public for their very liberal patronage

I certainly desire success to the R. R. but am still prepared to serve my friends, as in not at the expense of the ratepayers; the the past, with pure, sweet and uncontamiratepayers can expect nothing from the road nated meats that never have laid for even a but what they pay for.
