read manuscript. One from the country prefered. THANKSGIVING DAY, on the whole passed off pretty quietly. The places of business were closed, and services were held in the C. M. Church. The "Boys" consumed the usual quantity of "corn juice," and the result was a visit to Squire Brown and a contri-

bution to the Township funds of some We are compelled to omit a communication from Mr. Meldrum this week touching railway matters. The demand on our columns is so great and the increasing interest that is being taken on this important subject, makes it impossible for us to accommodate all, and therefore we

must leave it over for next week. THE BANK .- Win. Lucas & Co. have taken possession of the premises prepared for them in Hill Bros. new brick block, on the corner of Mill and Toronto streets. l'arties wanting money will find it to their interest to pay them a visit, and those who are of a saving turn, can get 6-per cent. on all money entrusted to their care

THE WEATHER .- We see by the To ronto dailies that the American ors man, who are at present in England complain bitterly of the weather. it is anything like what we have had here for the past two or three weeks we pity the "boys." In fact we have had no weather at all, or, as our Americans consins would say, ton much weather all to-gether.
