NOTICE,

King Street West, Toronto.

THE Reeve of Artemesia again posi- wants for years to come. tively asserts that we accused him of has done in re-producing the sentence in his communication, and which we'l did not do; thereby drawing partienlar attention to that word, it might be inferred that such was the idea we wished to convey; but to an unprejudiced mind no such meaning would appear. He also sticks to it, that we advised the petitioners to remember the Council for evil. We last week asked the Reeve to prove it; but he has Doctor wants to know why the STAN-DARD has got its " back up," and then us its " patronage freely." The STAN-DARD has not got its "back up," bears the doctor no ill will, it has not merely exercised its prerogative to criticise or comment on the public acts of a man occupying a public position. For this we have been threatened with retaliation, and are told that there are other weapons to be used against in the years to come. us, which it would be wise for us to regard Now, Doctor, we may as well To the Elitor of the STANDARD. tell you right here, that we consider such a course neither manly nor hon hand, &c.," here are the facts : Shortly after we purchased the late Exposicould have it provided we did it as cheap. doubt, will pass their verdict in due meaning you put on your editorial, one thing ing. Thursday Evenings at 7:30. Rev. N.A. by and satisfactorily as they could get it done elsewhere, and a motion was made

and reward us accordingly with their tion of the Council is worthy the Robertson's, ninety cents or Christoe's, fourfull confidence and patronage.

tion, and that Holland Council did the oppose the granting of a bonus. same. We do not consider they are paralel cases. In Artemesia the matter has been discussed from nearly

every standpoint for weeks past, in discussion. In Artemesia the petition was signed by nearly triple the number required by law, in Holland the surplus amounted, we believe, to said they are not analogus.

the T., G. & B. Railway passes:

Tononio. Oct. 5, 1880. Messrs. McLean Bros., Owen Sound. Gentlemen-Your favor of the 3rd received ; contents noted. We cannot at present buy spring wheat at prices going, and fall wheat is also at a disadvantage up there. We can buy fall wheat equal quality to yours to better advantage, so far as freight is concered. on either of the other lines of railway for shipment via Boston and New York, as eir is no transhipment. The wheat at 96 ents in Owen Sound would stand us about c per bushel more than outside wheat. This rows as out of the market for a time as there is no local inquiry.

This, putting the average amoun cent lower than the Messrs, Howland of these gentry could not be caught, placed it, and we have an annual loss and made an example of. osses to a greater or lesser amount must necessarily occur, the drain on

the action of the Council in throwing ing the value of land. We ask him and breaking his left arm just assertion would be thankfully received—beout the bonus by law. We again as how many of the farms that are now above the elbow. When we spoke of the villages that terprise. had sprung up, we spoke of the road

Objection is taken to our participating in the discussion because we are not a resident or ratepayer in the To the Editor of the STANDARD. failed to do so, and instead merely re- temesia alone, we should not have in- pleased for so many to join you against a some this is the sentence he has re- temesia, but every township through Council of Artemesia, and myself in parti- barely possible, that we are stepping out of her away. ference to, - "The 150 influential and which the road passes. Should she cular, I cannot devine, It has no interest in respectable ratepayers who signed the reject the by law, other t - hips will its rates, and, therefore, is what one calls an petition will certainly not soon forget naturally ask why they should put outsider. The Council took it by the hand, the insult." . Where does the advice their hands in their pockets to help a pected fair dealing at its hands. Personally doesn't know anything about it—you are come in, Doctor? Point it out. The township that won't help herself .- I was anxious the Standard should be a suc goes on to tell us it was very naughty alist did we not point out to her that culminated and vanished. I admit the priv- business the R. R. is ours. These are simfor us to do so, after the council had in our estimation, in opposing the by- ilege to it of criticism, but let it be gentle- ple facts and possibilities. And although

"taken us by the hand," and given law she is persuing a suicidal policy. Now sir I hold, to charge me with "discitizen we hold him in high esteem, fair. At the expense sir, of showing, either attacked his private character, but with him on this question. We also me quote your passage again. "Had the paymy quota, without a murmur. To conregret to say, and we do it in sorrow. not in anger, that should he persit in following his present course and succoed in defeating the by-law, we very his calpability is the greater." ask your vilmuch fear that he will live to regret it

Sir, -I have been noticing your work cost them for 1879. From the ratepayers of this township, by turnwould imagine that we got the printing without any conditions, and the paper, you will oblige

source from whence it sprung. Had we teen dollars R. B. Tax, on property actually

amount paid us was something con-THORP WRIGHT. The Reeve is also kind enough to brought forth a mouse." Mr. Thorp to his heart's content. But hold!! I can't see Robert Robertson in the article at all, at inform us that he is sorry to find that Wright, after taking nearly three all. Did you ever read the fable of the through the influence of a clique, the weeks to consider the matter informs "Ass" in the "Lion's" skin? Well sir. the influence of the STANDARD is being de- us that he has been noticing our eai- me of it—and the "Lion" in this case is not molished. We beg to assure him the torials for some time past, and "feels a very wonderful animal he is an abortion STANDARD is advised by no one, nor confident that we are in the wrong then, he has sufficient skill to make poor will it be as long as it remains under channel." Well, Mr. Wright, we are Robinson his Jackall, and 1 suppose that is Wishes to tender to his numerous our control, neither shall we rush in- quite willing to permit you to think employed in his business.
