

# A Happy New Year to All!

Thanking my friends for the very liberal patronage they have given me during the past six years, I would remind all that I have now on hand

## A FAR SUPERIOR STOCK

than I have ever before handled and at LOWER PRICES. Having bought largely, I claim that

**CAN SELL AS CHEAP AS ANY MAN**

or set of men doing a Retail Trade, and a look through my Stock will convince you of that fact.

## Watches

I have all grades and prices, from the best American manufacture, down to the cheapest grade of Swiss manufacture, and at prices that I am sure will suit all.

## IN CLOCKS

I have all **STYLES** and **PRICES** from **ONE Dollar** up.

## MY STOCK OF JEWELLERY!

You will find very complete---in Sets, Eardrops, Broaches, Friendship, Engagement and Wedding Rings, (no excuse for ANY MAN not getting married when he can get a suitable Ring for \$1), Locketts, Chains, Necklets, Guards, Silver Thimbles, Cuff Buttons, Studs, Scarf Pins, Cuff Pins, and in fact any thing in the Jewellery line. I have also a full line of **CONCERTINAS, ACCORDIANS** and **VIOLINS**, at the right prices. For instance, a good Violin for \$1.50, or as much higher as you wish. Also, Violin Strings and findings.

## LAZARUS, MORRIS & CO'S SPECTACLES.

For a number of years I have tried to secure the Agency for these very necessary articles, and at last I have succeeded. I am now Sole Agent for Markdale, and have a full line of both Lazarus & Morris' and all cheaper grades of Spectacles, &c. Don't let other dealers mislead you in regard to these goods, as you cannot get them from Peddlers or in fact from any one else here but myself. They are without doubt the best Glasses manufactured, there being about one million pairs now in use, giving general satisfaction. When in Markdale don't fail to see my stock. Remember the place **Dominion Telegraph Office, next door to the "Standard" Office, Hill's Block.**

**Watches, Clocks & Jewellery Repaired on short notice.** **E. D. WILCOX, Jeweller, &c.**
