condition, that very slight hopes are entertained of his recovery.

LAST Week's issue of the STANDARD contained a supplement presented to our readers by the well known firm of T. Milburn & Co., Toronto. The various preparations of their house have long been staple productions in the market, and their medicines, to our especial knowledge, have gained a well-deserved popularity. Their latest production is a Tonic and Blood and System Renoyating Compound, known as "Burdock Blook Bitters." Most of our readers are familiar with ing virtues, and many a cure has been during the past year there has been gathered a large supply of this root alone, affording the diggers a hand roots, herbs and barks are likew gathered, and the hands engaged i the manufacture of Bardock Bis

PRICEVILLE.

Correspondence to the STANDARD. We held our quarterly examination Arrive... 10.30 a.m. 3.00 p.m. 9.40 p.m. in the public School of School Section No. 7, Artemesia, on Friday, April 1st, and are sorry to say there was a poor attendance of the ratepayers. astonishing how little interest parents take in the progress of their children. The Trustes were greatly pleased with Wilkinson & Co., Aurora, re road the success of the Teacher's efforts in imparting instruction, and the aptness with which the scholars answered all questions put. One of them remarked the good feeling existing between the Teacher and the Scholars.

This school was very near depopulated during nine months of last year in consequence of the fever raging in Priceville and vicinity, though we are glad to say only one case proved fatal in this section. There is some prospect of a school house here to take the place of the substantial though rustic log one, which is falling behind the times, in consequence of the rapid stride education is making

It is astonishing how good the Henderson and others, re opening 1.00 sleighing keeps on the back roads, and 1.00 it so late in the season; there is fully six 1.00 feet of snow some places around here on the roads yet. This should have appeared last
