to lease the Toronto, Grey and Bruce | Commercial travellers who arrived by | cation. In the Report referred to, un- at the coming District meeting (which successful.

the T., G. & B. R'v., is also more obtainable. The hotel keepers say largely interested in the Hamilton and | the will adhere to this plan as long as North-Western Railway, which is now | the act remains in force. As the Act | amalgated with the Northern, and cannot be repealed for three years, hence his desire to thwart the Grand | the probability of their holding out is Trunk arrangement,

ilton and North-Wester and Northern | public. be accepted, when it was moved in amendmedt by Mr. J. J. Middleton, seconded by Mr. Thos. Gibson, and resolved, that as the proposal now made in writing by the Hamilton and North-Western and Northern Companies, is the same as that made verbally by the committee from those Companies, and declined by this Company, the papers now submitted by them be laid on the table, and no furaction taken thereon. ment was carried, and now Mr. Hendrie is going to bring the matter before the bondholders and shareholders.

Fortunately for the people of this County no agreement can be ratified without the consent of the Lieuter ant Govenor in Council. This Mr. Hendrie thinks he can of tain, and no doubt he will put forth every effort to do sc; it therefore behoves our people to attend the monster deputaition now being got up to interview the William Sloan received a severe fall Lieutenant Governor in opposition to from the breaking of the scaffold. Be-Mr. Hendrie's views.

Some of our readers may ask,-44 What difference does it make what Company runs the road, as long as the gauge is widened and it is well The difference is this -If the Grand Trunk lease the road. grain and other produce could be shipped through to any desired point without breaking bulk. This would induce buyers from a distance to come among us, causing better prices to be paid from the fact of the greater competition; but should the Norther get controll of the road our hopes in this respect will be futile. And further, sult-nine buggies more or less damwe have been informed upon excellent aged. authority, that Mr. Cumberland used his best endeavors to induce Mr. into the town at last. A cargo of Secretaries in 1880, cost Wragge to raise the freight on grain.
What will follow should he get control of the road our readers can imagine.

Another object these contlements and their is great rejoicing thereat.

We congratulate our neighbours on this seasonable arrival so that they paid, cost on about 600, 3

Another object these gentlemen need not be afraid of their lamb and cents each, or 6 cents on have in view is ro prevent any of the mutton going to waste. If the next notices and Notes when traffic from the great North-West train brings some sugar and lemons paid, from passing over this route, a great they will be able to indulge in ice Monthly circ portion of which would if the G.T. doubt they can get a supply of ice at take our road, to the great injury of home, without importing it by Rail-

to talk about the interests of Toronto being jeopardized by the Grand Trunk arrangement. The interest of the municipalities and Toronto, are widely differen. We must have the original bargain carried out. To let the Ncrtuern have it would place us in a worse condition than we are at present? Humber Sum't 3.30 a.m. 1.30 p.m. 5.50 p.m. therefore we hope the Deputation for Thursday, 12th inst will be largely 9.25 a.m. 2.37 p.m. 6.43 p.m. attended. The fare both ways is only Mono Road.. 9.50 a.m. 3.05 p.m. 7.05 p.m. \$1. Messrs Wragge and Beatty wished to take those composing the deputation free but; as the board was nct a unit on the matter they were unable to do'so. Don't forget the 12th inst. Our present and future welfare depends on opposing Mr. Hendrie's scheme, and that can only be done by large and influential deputation.

THE following is the programme semi annul meeting of S ath Grey Teachers association, to be held in Flesherton, on Thursday and Friday, 19 and 20th May, 1881. 1. President adddress. 2. Rev. J. Somerville,-Permanency of the Teacher's work. 3. J. Tait, B. A.-How to teach Eng. History. 4. W. O'Connor, B. A.-Natural Philosophy. J. A. Greg,-How to secure Uniformity of Classification in the schools of the county. 6. M. N. Armstrong,theory vs. Practice in teaching. 7. W. J. Galbraith,-Geometry to be ginners. 8. R. D.
