At the present time of writing, in the future, so we can't say what will be.  
See Wilcox's stock of Jewellery—new goods.  
The Fishermen of Owen Sound intend to make an excursion to Meaford on the 20th inst.

Several communications and other items are crowded out this week and will appear next week.  
A young girl wanted, apply to Mrs. J. G. Morgan, corner of Queen and Front streets, only one partial to children need apply.

The first boat of this season from Meaford came to Owen Sound on Saturday the 7th.  
A person from Mindemoya, Maine, who left the Island on the 6th inst. informed us that their vessel at that date had considerable quantity of cargo in low places and in the bush.  
Some Thomas Cloaks. The best made. At Wilcox's.

There is to be a grand day in Markdale on the 24th Prizes are offered for racing, jumping, putting, the stone, tug of war, Juggernaut & Croquet. Committees are determined that all will be the "Boss" of the day in the county. For particulars, see paper.

Garnett Lincroft club, of Dunith, will give an Entertainment on Friday evening, May 20th inst., in the Opera Hall of that village. See papers for particulars.  
The Owen Sound company, are sole manufacturers of "Castorine" machine oil. Arrangements will be prosecuted to have it seen by posters, Mr. G. B. Bates is offering his household furniture for sale, by public auction, this afternoon at one o'clock p.m. Mr. B. is leaving town everything he has for sale. The water and gas will be sold without reserve, and good bargains may be expected. Terms cash.

The "Castorine" Machine Oil, for all kinds of machinery, is also excellent for harness and leather, making water and weather proof. For sale by dealers.  
The Deputation to wait upon the Governor-in-Council, in opposition to Mr. Howard's views as regards the proposed T. G. & B. Railway, will meet through on their way to Toronto yesterday and was very largely attended.  
The refreshing rains of the last few days, and the warm days since had a wonderful effect on vegetation, and it is as if we really might say with the poet that winter is over.

Ask your dealer for "Castorine" machine oil, and see that the barrel is branded "Castorine," as none other genuine.  
We thought slitting was ever for the good, and it appears that we were mistaken, and to prove that we were of the men engaged in shingling we have just erected for the accommodation of the public patronizing the Markdale House, took a side from the stage pole and before he was ready it was nicely seated on the ground. We are happy to say no more resulting further than the one allied to preferring standing to sitting posture.  
The "Castorine" Machine Oil, for all kinds of machinery, is also excellent for harness and leather, making water and weather proof. For sale by dealers.

Especially all the rage just now is the fair sex being affected, and not an unusual sight to see a young woman or sending their way to the grounds. On Saturday last, one of Markdale's fair daughters, Miss M. G. Bates, who got a bit of a cold, and was too heavy, or her hair of coming in, she plucked it out, and the first thing her companions knew she was seen in a wig.  
Fortunately the young man was tall, and the water not over the result might have been different.
