CHERRY PECTORAL is  
such a remedy, and no  
other so eminently mer-  
ited. It is a combination

chemically united, of  
such power as to make  
the greatest possible  
efficiency and uniform-

especially adapted to the  
pulmonary diseases, affording prompt relief

of any age or either sex. Being very palatable,  
the youngest children take it readily, in  
ordinary Coughs, Colds, Sore Throat,  
Bronchitis, Influenza, Whooping Cough,  
and all the affections of the Throat and  
Lungs. The effects of Ayer's Cherry Pectoral

the most eminent physicians.
