justed to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Aver's Pills are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all proofs of their value as a safe, sure, and Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be admin-istered to children with perfect safety. AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indiges-
