Ir has been known for some time post that the health of Lieut. Col. and a real comfort, and "our folks" F ed. W. Camberland, Managing Director of the Northern Railway, was and soul of it, and it is only through to those collecting cards, &c. his energy and untiring efforts that the Road is in existence to day, as it ORDINATION AND INDUCTION was in a pretty critical financial condition at the time he assumed control of it. Mr. Cumberland was in his sixty-second year at the time of his

THE PRESIDENT'S HEALTH.

THE health of the President was not as satisfactory on Saturday last as usual, and the physicians in attendance found it necessary to perform another operation, in doing which they ascertained the location of the bullet, and from the knowledge so gained they feel satisfied that neither the liver nor the peritoneum has been touched. Dr. Agnew, the principal physician in attendance, says the wound is not near so serious as was at prosper first thought. He has little or no hopes of being able to extract the ball, but has very strong ones of his ultimate recovery.

in the neghbourhood of Perth, and if well saved will, it is expected, redeem to a great extent last year's failure.
