the cause of Him "who died that he might live," as being like the "quality of mercy" of which Shakespeare writes "it is twice blessed; it blesses him that gives, and him that takes." Man is a curious being. Some men absent themselves from church and church ordinances professing to be offended at the conduct of some member or officer in the church, or even at something the minister has said or done. The congregation may be in ar ears to their pastor, and he may really b from his ministrations. Such

urer Proton Agricultural Society, and John Abbott. Rag Carpet, 5 yds, D. in comparative want, and should be even hint about money from the put- & Co, special agent for Markdale. pit, some are so "thin skined that they will be offended, and absent themselves are much to be pitied. If the minister has to say anything about money, whose fault is it? Doubtless the congregation are not doing their duty, for tion during her recent journey if they did their duty, there would be night to Scotland, her Majesty preferno need of sermons with a "siller tail" ring sleep to cheers. as some call it. I think the real cause ufactured by Toomas Swan, of Mount of these men acting as they do, is something else than they profess it to be. It is, I fear, because "the root of the matter is not in them;" "they have wo-year-old colts were something ex- Slippers, exhibited by Thos. Fen- the form but not the power of godliness"; they have only "a name to live," and they want that name to cost them as little as possible; and with all they want to counted good, respectable Millinery and Mantles, exhibited by Christians, and throw the blame on somebody or something, instead of avowing the real cause, viz: that the evil is in themselves, that their hearts are not right with God; that they are still in the gall of bitterness and the bonds of iniquity. If such will leave the church apparently on whimsical grounds, why not write their names favorable. The Judges were on the off the roll at once? Why should not ground and accomplished their work the dead limbs be cut off the spiritual tree? If we would keep the church in healthy state, clear away all those noxious weeds; "dig around it, and admonish, reprove, let him do all he can to bring sinners "into the fold." but let not the Roll of church member ship be blurred, and bloated with the names of members who have not for

are glad to learn that they are taking the place of those little Pills. A. TURNER & cial agents for Markdale.

LENELG Fall Show came off The exhibit of horses, or perhaps ignorance of the at ors, our reporter was denied the privilege of seeing through the before the judges were through, Good yiel sequently we have a very poor the farmy of the merits or demerits of this portant part of the show. We will,

the prize list next week. traveller on the Collingwood road Maxwell, last week got into a W. II. lemma by his harness getting out of of baildin . A couple of gentlemen over- factory to ok him while he was standing ap- commend rently not knowing what to do, Willie ough he had with him all that was essary to make the temporary rers, but did not seem to understand airing harness. However the ove gentlemen made the necessary

pairs and started the modest travel- vancing on his way rejoicing. - [Com.]
