Now that winter has well commenced we would advise our readers against the use of Calomel and other injurious substance, as there is great danger of catching cold after their use. An excellent substitute for pills is a Vegetable Preparation known as Dr. Carson's Stomach and Constipation Bitters, a family medicine that from all accounts, will soon take the place of every other purgative and blood purifier. In our rambles round town we dropped in to see friend Wilcox in his new premises, and were much surprised to see what an extensive stock he has on hand which he can now display to great advantage since his removal. Don't fail to give him a call, as we feel assured that you will find you, both as to quality and price.

The Christ Church Sunday School entertainment on Wednesday evening was a grand success. Notwithstanding the unfavorable state of the weather and bad condition of the roads, the hall was filled to its utmost capacity. Judging from the frequent and hearty applause, the entertainment was enjoyed immensely. A very pleasing incident of the evening's enjoyment was the presentation to the Rev. Mr. Ward, the Incumbent, of a handsome easy chair, and Miss Fanny Ford, organist, of a beautiful gold watch. Want of space prevents us from giving the addresses this week, but they will appear in our next issue.

A concert in aid of the St. Mary's Church Building Fund, was given at Maxwell on Monday night. The evening was an exceptionally fine one, and the audience was exceedingly good. The programme was partly sustained by the amateur talent of the place, and partly by the Christ Church Choir from Markdale, with Mr. Wm. McDougall who was in his usual happy humour, and delighted the Maxwellians immensely. Mr. J. O'Connor and Miss Hollinghead's comic duets were well received, as, indeed, was the whole programme, everybody being thoroughly well satisfied with the evening's entertainment, which in all probability is the best that has been given in Maxwell for a long time past. The proceeds amounted to \$65.

The Annual Tea-Meeting of the Methodist Church, Markdale, took place on Monday evening, and was a decided success. The provision made by the ladies in the dining apartment was of the very best quality, and in great abundance. The following speakers gave appropriate addresses, viz., Reverend Messrs. Edmonds, of Pricerville; Grandy, of Eugenia; and Dr. Christie, County Warden; and Mr. Richardson, of Fleherston, while the choir discoursed choice music. A very pleasant, and no doubt, profitable evening was spent. Proceeds \$77.00, which goes towards paying off the debt on the Parsonage.

The Soiree held in the new Orange Hall, Kell's corner, came off on Thursday, the 22nd inst., as announced by Bills, and notwithstanding the inclemency of the weather, and the fearful state of the roads, was a complete success. The tables, which were provided gratuitously by the ladies, were all of the first quality, (thanks to the ladies), The speaking was above the ordinary standard. Rev. Mr. Fisher, spoke on beauties of nature; Rev. Mr. Stevenson, on the blessedness of single life; and Rev. Mr. Wilson, on the Orange Question, followed by an able speech by T. S. Sproule, M. P., on the past, present and future of our fair Dominion, the best of order prevailed throughout. The choir discoursed choice selections of music, which were highly appreciated. This Lodge has now a comfortable Hall, and is in good financial circumstances. Proceeds of Soiree, \$85.

### BUNESSAN.

A Soiree was held in Bunessan Presbyterian Church, on the evening of Tuesday 20th inst., for the purpose of defraying some little debt on the Church, on account of late repairs. After tea and other good things were disposed of, Mr. Meldrum, Station Master was unanimously called to the chair. The chairman referred to the present being the third time in succession he had occupied this position and the gratification it gave him to observe the steady progress of the church in this locality. Mr. Geo. Binnie was called on and gave an account of financial matters, from which it was seen that the proceeds of the evening paid every thing due, and left some ten dollars to assist in painting, brickwork, or otherwise improving the building. Rev. Mr. Edmond, Pricerville, gave an interesting address on dreams, defining the difference, and also showing the connection between sleeping and waking dreams. Mr. J. H. Hunter, M. P., spoke on subject of youthful training. In his opening remarks he referred to the road iron he was in after handling the large quantity of grain that had come to Durham that day, and treated the audience to a florid description of the territory from which the flourishing grain market of Durham was supplied, making special reference to the teams coming to Durham all the way from the county of Fleherston and Markdale. Mr. B. Robertson, of Pricerville, spoke on union, and apologized for a severe cold he had, which he humorously said only confirmed bachelors ought to be afflicted with.

He referred to the fact that for some years in his youth he had been almost continuously hoarse from cold, and on recovering his voice he remembered how his felt like running about the country shouting for every eye to hear the sound of his own voice again.

### ADDRESS AND PRESENTATION.

On the evening of Friday, 29th inst., a number of the pupils of Miss Ross' department met at her boarding room, and after spending some time in pleasant amusement, made the following address and presentation, to which Miss Ross replied in feeling and appropriate terms:

To Miss Ross, Teacher of the 2nd Department, Markdale Public School.  
DEAR TEACHER.—We the pupils now before you have assembled for the purpose of expressing our sincere thanks for you're you leave us. To present you with an address would be to us a pleasant exercise, were we not sensible of our inability to express in words the fond relation existing between teacher and pupil. It is for this reason we have labored earnestly and faithfully in our behalf, ever seeking to benefit us both morally and intellectually, while your kind and genial manner has endeared you to us all. And now we ask you to accept this little offering, as a token of our friendship and esteem toward you as our teacher. In parting with you we trust that the rich blessing of Heaven may ever rest upon you, and that you may be long spared to labor for the benefit of the young people of God our Father, and that this desk may often bring to mind those who leave in Markdale.  
Signed on behalf of School,  
JOHNSTON WILSON,  
WILLIAM DUNDAS.

The following Address was presented to Miss Annie Burke, accompanied with a very handsome Bible by the pupils of her class, in the C. Methodist Sunday School class, on Friday last.

DEAR TEACHER.—We the Scholars of your Sunday School class, in grateful remembrance of the interest you have manifested in our behalf, ever since you became our teacher, in endeavoring to advance the moral and religious training and Scriptural knowledge; and also for the worthy example you have given us to emulate in your consistent and well regulated daily life, and womanly virtues, desire to present you with this small token of our respect and affection, and as a souvenir to remind you of the pleasant and grateful feeling existing between your class and you on the Xmas of 1881.

May your useful and profitable life be spared to continue the good work you have in hand, and the past may you also in the future continue to emulate the worthy Christian examples to be found within the precincts of this Holy Book; may you accept it as your guide through life, and may the blessing of God rest upon you and your family, and may the joy and enjoyment of the great hereafter, and finally, when this our earthly work is done, may we all meet at that bright shore, and as an unbroken class to sing the song of redeeming love for ever and ever.

One of the English secularist papers has a picture of Jacob's Dream, the angels being dressed in lights and spangles like serobats, and the Deity being represented as an old man smoking a long pipe at the end of a long table. DEAR TEACHER.—We the pupils now before you have assembled for the purpose of expressing our sincere thanks for you're you leave us. To present you with an address would be to us a pleasant exercise, were we not sensible of our inability to express in words the fond relation existing between teacher and pupil. It is for this reason we have labored earnestly and faithfully in our behalf, ever seeking to benefit us both morally and intellectually, while your kind and genial manner has endeared you to us all. And now we ask you to accept this little offering, as a token of our friendship and esteem toward you as our teacher. In parting with you we trust that the rich blessing of Heaven may ever rest upon you, and that you may be long spared to labor for the benefit of the young people of God our Father, and that this desk may often bring to mind those who leave in Markdale.  
Signed on behalf of School,  
JOHNSTON WILSON,  
WILLIAM DUNDAS.

The following Address was presented to Miss Annie Burke, accompanied with a very handsome Bible by the pupils of her class, in the C. Methodist Sunday School class, on Friday last.

DEAR TEACHER.—We the Scholars of your Sunday School class, in grateful remembrance of the interest you have manifested in our behalf, ever since you became our teacher, in endeavoring to advance the moral and religious training and Scriptural knowledge; and also for the worthy example you have given us to emulate in your consistent and well regulated daily life, and womanly virtues, desire to present you with this small token of our respect and affection, and as a souvenir to remind you of the pleasant and grateful feeling existing between your class and you on the Xmas of 1881.

May your useful and profitable life be spared to continue the good work you have in hand, and the past may you also in the future continue to emulate the worthy Christian examples to be found within the precincts of this Holy Book; may you accept it as your guide through life, and may the blessing of God rest upon you and your family, and may the joy and enjoyment of the great hereafter, and finally, when this our earthly work is done, may we all meet at that bright shore, and as an unbroken class to sing the song of redeeming love for ever and ever.

One of the English secularist papers has a picture of Jacob's Dream, the angels being dressed in lights and spangles like serobats, and the Deity being represented as an old man smoking a long pipe at the end of a long table. The London Echo indignantly asks how can a party expect to win respect or even consideration, when its organs indige in such wanton outrages on the religious feelings of their fellow citizens.
