VIOLINS, CONCERTINAS, AND ACCORDEONS!

And other lines too numerous to mention. All the above mentioned goods will be sold very cheap, and are very suitable for Xmas Presents. I do not mean to say that I can undersell any other man in the trade, but I do mean to say that my stock is as good as any in this section and my prices equally as low, and would solicit an inspection of the same. I count it no trouble to show goods and quote prices. Thanking one and all of my friends for past favors during the past seven years I have been in business in Markdale, I would respectfully solicit a continuance of your trade, and remember I warrant all goods as represented.
