"The accounts of the last year will be laid I efore von. It will be satisfactory to you to find that the expend iture has been less and the revenue considerably more than the estimates of last year, leaving a surplus of over four millions of dollars A portion of this sum has been used in the reduction of the public debt by the redemption of matured debentures bearing six per gent. interest, and the remainder applied to the payment for public works chargeable to capital account. The necessity of issuing the debenture

loan authorized by Parliament for the se purposes has therefore been obviated. The estimates of the ensuing vear will also be submitted, and will. I trust, be found to have been framed with due regard to economy and the efficiency of the public service.

"Honorable Gentlemen of the Senate: "Gentlemen of the House of Commons: I now invite your attention to the general business which will come before you, with full confidence in your ability and patriotic desire to forward the best interests of the country."

After his Excellency had withdrawn the following new Senators were introduced and took their seats: - Hon. McInnes, Hamilton; Hon. Mr Ogilvie, Montreil; Hon. Mr. Mc-Kay, Colchester, and Hen. Mr. Skead,

It was decided that the address should be moved to-morrow, the House

to meet at 3:30. The House then adjourned. The address in the Senate will be moved by Hor. D. Melnnes, and seconded by Hon. Mr. Ogilvie.
