t does not blister or cause any sore, which makes it a desirable limiment for use on man as well

on beast, and it is sure in its effect. It has no equal, to our knowledge, for spavins, splints, ringbone-curb, callous, sprains, swellings, galls, lameness, from whatever cause, in any part of the body or limbs, and is also good for As a household liniment it has no equal; its effect on human flesh is marvellous. It is used with the most gratifying results in cases of lameness or any, deep-seated pains—as in rheumatism, sprains, strains, burns, bruises, frost-bites, corns, etc. The increased demand for Kendall's Spavin Cure, within the past three years, has compelled the proprietors to build the large and commodious building, represented above, in which they manufacture and bottle the Spavin Cure. The building is especially adapted to their use, containoffices, and private offices, advertising, printing, manufacturing, bottling, and packing cpartments, and now even the Company with this spacious building, are finding themselves barely able to meet the great demand made on them for their preparations, and at an early day they expect to have to enlarge their laboratories, as now a large amount of their work has to be Much could be said to show the great success already achieved, but we give below copies of a

few words, what reputation it has, by parties who are perfectly familiar with it. Office of G. W. Voorhis, Proprietor Hamtramck Driving Park and Park House.

DETROIT, MICH., April 12, 1881. B. J. KENDALL & Co., Gents: - The "Treatise on the Horse and his Diseases" you sent me is at hand, and think it a first-class book. Your Kendall's Spavin Cure I have used for the last three years, and think it the best medicine I ever saw for Spavin and Splint, and will freely recommend it to my friends.

FROM COL. L. T. FOSTER.

YOUNGSTOWN, OHIO, May 10, 1880. Dr. B. J. KENDALL & Co., Gents: - I had a very valuable Hambletonian colt which I prized very highly. He had a large bone-spavin on one joint and a small one on the other, which made him very lame; I had him under the charge of two veterinary surgeons, who failed to cure him I was one day reading the advertisement of Kendall's Spavin Cure in the "Chicago Express." I determined at once to try it, and got our druggists here to send for it. They ordered three bottles; I took them all and thought I would give it a thorough trial. I used it according to directions, and the fourth day the colt ceased to be lame, and the lumps have disappeared. I used but one bottle, and the colt's limbs are as free from lumps and as smooth as any horse in the State. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two

FROM A PROMINENT PHYSICIAN. WASHINGTONVILLE, OHIO, June 17, 1880. Dr. B. J. KENDALL & Co., Gents: - Reading your advertisement in "Turf, Field, and Farm," of Kendall's Spavin Cure, and having a valuable and speedy horse which had been lame from spavin for eighteen months, I sent to you for a bottle by express, which in six weeks removed all lameness and enlargement, and a large splint from another horse, and both horses are to-day

as sound as colts. The one bottle was worth to me one hundred dollars. H. A. BERTOLETT, M.D. KENDALL'S SPAVIN CURE. Dr. B. J. KENDALL & Co., Gents: - I have your valuable Treatise on the Horse and his

Diseases, and your Kendall's Spavin Cure. My horses have the epizootic. One of them could not swallow for two days. I applied your Kendall's Spavin Cure twice to her throat and it gave most instant relief. I think I could sell 1,000 of your books. Please give prices to agents.

Yours truly, PETER BOWEN. Dr. B. J. KENDALL & Co., Gents: - I have a very fine mare that has had a bone spavin for to give it up when a friend of mine in this city came to me and recommended Kendall's Spavin Cure, which I tried with grand results, removing that bone clear and clean; and I sent 25 cents to you for one of your illustrated Horse Books, and I think there is no better book printed on the

horse and his diseases. I have taken great interest in it and have since sold 18 copies for you to my neighbors, and wfil try and do what good I can by getting them for others. STATEMENT MADE UNDER OATH. To whom It May Concern: - In the year 1875, I treated with "Kendall's Spavin Cure," a bone spavin of several months' growth, nearly half as large as a hen's egg, and completely stopped the lameness and removed the enlargement. I have worked the horse ever since very hard, and be never has been lame, nor could I ever see any difference in the size of the bock-joints since I ENOSBURGE FALLS, VT., Feb. 25, 1879.

KENDALL'S SPAVIN CURE.

Sworn and subscribed to before me this 25th day of Feb., A.D. 1879. JOHN G. JENNE

Dr. B. J. KENDALL & Co., Gents: - I think it my duty to render you my thanks for benefits had a valuable stallion, worth \$4,000, which had a very bad spavin, and was pronounced by four eminent veterinary surgeons beyond any cure, and that the horse was done for ever. As a last resort, I advised my cousin to try a bottle of Kendall's Spavin Cure. It had a magical effect; the third bottle cured it, and the horse is as well as ever. Dr. Dick, of Edinburgh, the eminent veterinary surgeon, was an uncle of mine, and I take great interest in assisting his profession. Yours truly, JAMES A. WILSON, Civil Engineer.

Human Flesh.

We feel confident that we speak the truth when we say that no liniment that works so well on human flesh as Kendall's Spavin Oure. B. J. KENDALL & Co., Gents: - Enclosed find 25 cents for your recently published horse book, the revised edition. I have used your Kendall's Spavin Cure, in bad cases, with very fine for man as for beast. I fell from a high tree about four years ago, and have complained of my back ever since, until about two months ago I began using your Kendall's Spavin Cure, and have not been able to complain since. My doctor says that he had expected me to be a cripple for life, as he could not do anything for my spine. Please to send the book to CHARLES L OOTHOUT, ALBANY, N.Y

right limb at the knee-joint. I was very lame, and at times have suffered the most excruciating pain since. In April, 1878, I began to think I should be a cripple for life. I used one-third of a bottle of Kendall's Spavin Cure, and experienced relief at once. I feel very grateful to you, and would recommend Kendall's Spavin Cure to all who suffer with sprains or rheumatism.

Dr. B. J. KENDALL & Co., Gents: - Enclosed please find 25 cents for which send me one iron, a ounce; femugreek, 2 ounces; ginger, 2 of your new horse books, and oblige. I have tried your Kendall's Spavin Cure in a case of rheuounces; elecampane, I ounce. Mix thoroughly and matic gout, and find it an excellent remedy. Yours, etc., etc., J. W. HUNT. WEST ENOSBURGH, Vr., Feb. 15, 1881.

Dr. B. J. KENDALL & Co., Gents: — Several months ago I injured my knee-joint which caused an enlargement to grow the size of a large walnut, and caused me very severe pain all the time for four or five weeks, when I began to use Kendall's Spavin Cure, with the most satisfactory

joints or limbs, or for rheumatism in man and for any purpose for which a liminent is used yet man or beast. It is now known to be the best liniment for man ever used, setting mild and for certain in its effects. Price \$1 per bottle, or simbottles for \$5. All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
