## An Automatic Reed Organ.

The Organimette may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to producemusic; the Orguinerre is on the other hand entirely mechanical in its action, and at a trifling expense it can be made to furnish an unlimited supply of all kinds of music. -Toronto Globe."

"The Orguinette is indeed a musical wonder. It is a minature seed organ, with as strong and melodious a tone as the Cabinet Size. It surpasses the Cabinet Organifor the reason that the ignoramus in music can play it as well as the most acomplished professor. THE ORGUINETTE is strong and accurate in its mechanism, and consequently not liable to get out of order."-Montreal Gazette.
