----HELPING A CONSTABLE

One day a Michigan Constable who had long been trying to collect a its effects claim of \$40 against a sharp citizen, went to a worthy burger and said: "See here, Jones, I've got a plan to collect \$40 off the sharper P rkins. All I want is a little help from you, and if you'll grant it I won't forget the favor."

replied Jones. "Why, I want you to bet him \$20 that he dosen't weigh 120 pounds.

you'll do that I can fix the rest." "Oh, I'll do anything to Lelp you cut." said Jones, and the two walked around to the grocery where Perkins was known to hang out. Aiter a little talk, the Constable keeping in the shade, Jones began bluffing, and when he stated his fiendish desire to bet \$20 that Perkins wouldn't tip the beam at 120 pounds his greenbanks were covered before a mule could kick three times. As the money was put up the Constable slipped out for a granishee, and was bac't in time to serve it on the stake holder. Perknis weighed 148 pounds, and the \$40 in the hands of the stakeholder eventually pail a claim against him but it has never yet been made plain to Jones how he made anything out of it. It has always seemed to him that he was \$20 out, and for fifteen long years he has refused to walk on the same side of the street with that Constable.
