DALE.

We commend to the attention of the powers that be, the verdict just given at Torouto. The walks of the village are in a bad condition and ought to be seen to. A verdict of five hundred dollars given against Toronto for injuries sustained by a suitor through a defective sinewalk shows the necessity of the gratest care being the cabin floor. The children peace exercised in regard to flie streets. As a rule, the city only goes into court with such actions as its solicitor four potatoes in a wheelbarow driven thinks can be successfully resisted. There are claims made and compro mised which attract dittle attention, but which mean the payment of damages It is impossible to provide against all the accidents that may happen through defective sidewalks, but the prevention of eyen one may mean fire undred of a thousand dol-
