Take no more nauseous purgatives. Burdock Blood Bitters act mildly, but efficiently, and thoroughly upon the Bowels, and occasion no inconvenience while it regulates the Liver and Kidneys and tones the enfeebled system. Trial bottles 10 cents.

A STANZA.

DEDICATED TO THE LOAFERS OF MARKDALE.

I want to be a loafer,
And with the loafers stand,
Round about McFarland's, cigar butt
in my hand;
There right before the people,
The passers to and fro;
I'll stand and spit tobacco juice and
make myself a show,

What is Lardine? Ask any farmer thrasher or mill man in fact any man who runs machinery and he will tell you that it is the only oil which will wear equal to Castor Oil and won't gum or clog your Machinery

MAKING THE CROWS USEFUL.

W. S. Morgan, Somerset Co., Pa., in view of the fact that the corn-planting season is at hand, gives his experience, which we commend to those who look upon the crow as an enemy. He says: "For the past five seasons, I have, just before I expect my corn to come up, sowed on the field about a quart of corn to each acre, and repeated the operation as often as necessary, until the corn was so large that the crows could not pull it up. If the corn is soaked until tender, they prefer picking what they want to eat from the surface rather than to pull the young plant to get it. The cost of the corn thus sown is but a trifle; as a result I have a great number of crows almost constantly on my corn field, and after they have been satisfied with corn they will still pick up all the insects, grubs, and cut worms they can find, as a dessert. In eating fifty acres of corn since adopting this this plan, I have not lost a hundred stalks by crows and cut worms combined."—*American Agriculturist for May.*

At the approach of spring great attention should be given to purify the system, engorged with foul humors during the winter. Burdock Blood Bitters is Nature's own purifying and regulating tonic. Sold at 10 cents.

Last Sunday evening a man suddenly passed away while near the close of his sermon, and said: "We would all be glad if that young man in the vestibule would come inside and satisfy himself whether she is or is not here. That would be much better than the pinching baffle of cherubs on the remnants of the pulpit cushion." And in the end no one was found to have followed the congregation came to a sound conclusion as to the retreat of an army with banners.

Rheumatism is greatly dependent on a vitiated condition of the fluids, and may be removed from the system by cleansing the Blood and regulating the Kidneys. Burdock Blood Bitters will do this most effectually. Trial bottles 10 cents.

Snakes are somewhat numerous near Melville. Two little girls named Corry, were walking in the fields the other evening, they heard a number of snakes all running to one place. They paused then and upon investigating the spot there were found to be no less than fifteen large snakes in it. They drew the attention of their brothers to the fact and they succeeded in killing them.

Dropsy is essentially a watery condition of the Blood, dependant upon disordered kidneys. Burdock Blood Bitters are strongly Diuretic, and consequently the best known remedy, acting as it does upon the entire Secretory System. Trial bottles 10 cents.

A MATRIMONIAL TANGLE.

A few weeks since a young man named Currie, son of a wealthy resident of Chambly, was married at Montreal to Miss [illegible] Johnson, Montreal. Miss [illegible] a young lady named Miller, from Quebec, with the consent [illegible] This nuptials were kept quiet until a few days since, when an accusation of the affair appeared in the newspapers. This coming to the notice of the bridegroom's father, he immediately took his boy in hand, and entered an action to annul the contract, on the ground that his son was but 20 years under age, that his parents' consent had not been given, and that the youth had been inveigled into the marriage by the friends of the girl, who was not of his social standing. The defence deny all the allegations, except that the young man is a minor.

Consumption, that dread destroyer of the human race, is often the result of bad blood and low vitality, a scrofulous condition of the system. Burdock Blood Bitters cure Scrotula in its worst form. Trial bottles 10 cents.

A woman's body was found on the track of the T. G. & B. near Woodbridge station Tuesday morning. It was found to be that of the body of a woman named Ellen Gardner, who lived near where the remains were found. The body was mutilated almost beyond recognition. She had been absent from home during the whole of Monday and it was thought that she was run over by a passing train while returning during the night.

Nervous debility is a result of indiscretion in the mode of living. Heed nature's warning laws and take Burdock Blood Bitters, the Great System Renovator and Blood, Liver and Kidney regulator and tonic. Sample bottles 10 cents.

KENDALL'S SPAVIN CURE.

The most successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

FROM THE ONEONTA PRESS, N.Y.

Oneonta, New York, Jan. 6th, 1881.

Early last summer Messrs. J. R. Kendall & Co., of Enosburgh Falls, Vt., made a contract with the publishers of the *Press* for a one column advertisement for one year setting forth the merits of Kendall's Spavin cure. At the same time we secured from the firm a quantity of books, entitled Dr. Kendall's Treatise on the Horse and his Diseases, which we are giving to advance paying subscribers of the *Press* as a premium.

About the time the above mentioned appeared in this paper, Mr. P. G. Schermerhorn, who owns several Colleys, had a spavined horse and believing in the advertisement and circulars as to the efficacy of the remedy, although it looked doubtful as to its curability. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse in accordance with the directions, and he informed us this week that its effects as a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise of the Horse and his Diseases, which he prizes very highly and would be loth to part with at any price, provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure.

New Hamburg, Ont., Dec. 28th, 1881.

Mr. F. H. McCallum, Dear Sir:—The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly sprained for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

Yours truly,

J. F. ROTH.

Kendall's Spavin Cure.
ON HUMAN FLESH.

That any of tests on human flesh has proved beyond a doubt that "KENDALL'S SPAVIN CURE" has sufficient strength to penetrate and virtue to cure the worst cases of rheumatism, corns, bunyons, frost-bites, or any bruise, cut or lameness which are not affected in the least by ordinary liniments. It does not blister but on the contrary removes all soreness.

St. Johns, P.Q., Oct. 27th, 1881.

Dr. B. J. Kendall & Co., Gents:—About a year ago I fell in the road onto some ice and was badly hurt in the hip joint, which caused me much suffering. I tried various remedies but none gave relief, until I tried Kendall's Spavin Cure. I applied it full strength twice a day for two weeks during last October and it effected a perfect cure. I have since been well and free from lameness. It is very valuable for man as well as beast.

Yours truly,

CHESTER K. GREEN.
