

IT HAS STOOD THE TEST OF TIME

For 23 years Dr. Fowler's Extract of Wild Strawberry has been before the people, and its popularity is today greater than ever, because it has proved reliable in the treatment of all forms of Stomach Complaints incident to the summer season.

This Willy was undergoing the disagreeable operation of having his hair cut by his mother, and he grumbled at the operation, "Why Willy," said his mother, "you ought not to make such a fuss. I don't fuss and cry when my hair is being combed." "Yes," replied the youth, "but your hair ain't hitched to your head."

Too many people plant only a first crop of lettuce. It may be sown in August and is still one of the most useful of vegetables. The winter varieties may be sown as late as September.

The nearer we follow nature in the treatment of disease, the more successful we are. Dr. Fowler's Extract of Wild Strawberry is Nature's Specific for Cholera, Malaria, Dysentery, Cholera, and all forms of Summer Complaints. It speedily cures Cholera in the stomach or bowels, and is safe for infants as well as adults.

They were standing near the gate, very close together, and perfectly oblivious to all around them. This is what your report heard as he was passing: "Oh, George does your mousetache feel as nice to you as it does to me?"

The best evidence of the superior merit and virtues of Dr. Fowler's Extract of Wild Strawberry, for the cure of Stomach and Constipation Bitters, is that its popularity and demand is greatest where it has been longest known.

Mr. W. H. Campaigne, of the little mills, lost a purse containing \$60 in money and some notes, recently, while on his way to Flesherton. Mr. Campaigne found the purse and promptly returned it to the owner, who rewarded the finder handsomely.—Advance.

An average 2-year old steer will eat its own weight of different material in two weeks.

Professors in a depraved condition of the system often hereditary, and characterized by indolent tumors, glandular affections, bad blood and a low condition of vitality that tends towards consumption, which is really Scrofula of the Lungs. Burdock Blood Bitters cure Scrofulous diseases from a pimple to an abscess, by purifying the blood, correcting the secretions and giving a healthy tone to each organ.

The average quantity of milk required by the creameries, to make a pound of butter, is about 22 lbs. or 10 to 12 quarts.

A hen is a most inconsiderate and unaccountable creature. Now that she can lay eggs worth 3 cents each, she takes a vacation and refuses to have anything to do with the business. By-and-by when chicken-seed are down to 10 cents a dozen, she'll put on extra help, and an extra work at night to flood the market.

The indications of the approaching season seem to threaten an unusual amount of the various forms of bowel complaints. Our readers would do well to supply themselves with some reliable remedy like Dr. Fowler's Extract of Wild Strawberry, as a safeguard against sudden attacks of Cholera, Malaria, Cholera, Dysentery, &c., and unless promptly treated are often suddenly fatal.

While Chris, Johnson and several other laborers were engaged in unloading the schooner Todman, at Owen Sound on Monday, a chunk of coal about the size of a wheelbarrow struck Chris on the head. It broke the coal all up, but after indulging in a few quotations not found in the revised edition Chris, resumed his work as if nothing had happened.

N. C. Polson & Co., druggists, Kingston, express themselves surprised at the sale of Burdock Blood Bitters in that locality, where the medicines are hard to introduce, but say they, "the gross last one or two days since, will convince you that the demand is good, and that it is giving satisfaction to our customers."

Mr. Wm. Ranson, of South Norwich, says: For sixteen years I suffered from Biliousness, never had any medicine do me any permanent good until recommended by our druggists, (J. Wesley Fish & Co., Otterville), to try Dr. Carson's Stomach and Constipation Bitters, which have done me ever taken. I would, with the utmost confidence, recommend them to all suffering from Biliousness, &c. Sold by all druggists. Turner, Markdale, Parsons, Dundalk.
