Shelburne town hall is progressing rapidly. What has become of the Markdale Fire Brigade? All seats are free in the Markdale English church. There are 25 lots in Thornbury in arrears for taxes. The Tara cemetery is a paying investment.—Leader. Wyonch recovered wages in dispute from Hicks, Euphrasia. A Tara cheese factory has been closed; small milk supply. Business is a little brisker; the farmers are responsible for it. Considerable grain has been hauled in on the Sabbath this year. There is a prospect of Rocklyn becoming a nice little inland village. Half the agents on the C.P.R. have to live in a hand car house, or a box car. Thimble berries plentiful on the Indian reserves; natives making 65 cts. per pair. The Methodist ministers of the Owen Sound district met recently in Flesherton. Mr. Caesar's cat brought home a very large snake last Wednesday; the cat had not killed it. A few books to hand to strangers at our churches would probably be a paying investment. The Euphrasia councilmen fight not, neither do they squabble over the township business. The Mirror is in error as to 30 of the nuisance cases being withdrawn; they were dismissed. Hugh Johnston interfered in the Graham family row, but got out of it with a \$2 fine. The attention of the authorities is called to the thousands of thistles on different streets going to seed. Moffat Bros. are fitting up a lathe in their foundry capable of turning anything up to 6 ft. in diameter. Mr. Train's new saw-mill at Meaford is making headway. It will turn out 20,000 ft. daily when completed. The Oscar-Wilde craze has struck Meaford, Owen Sound, Tara, and our own village. This is just too, too utterly utter. Section men get \$2.00, and section foremen \$2.50, on C.P.R., and don't kill themselves with work; so says E. D. Wilcox. A lamp exploded in the Disciples' church, Collingwood, during a service and set fire to the building. Elder Shearman put it out. A Chesley girl visited Elderslie and displayed her muscular power by throwing a man against a table and broke three of his ribs. Mr. Vandusen, butter buyer, Tara, happened to open a tub, and discovered 5 lb. salt packed round the side so that the taster would miss it. The Flesherton Methodists have appointed ushers to find seats for strangers in church on Sundays. Markdale religionists might follow suit with advantage. Twelve factories were represented at Listowel cheese fair; 4400 boxes were offered, but buyers would not give enough. 600 boxes only were sold, 11¢. Quite a number of our local postmasters have not attended to the new regulation respecting stamping postal cards. "The contrary to law to stamp cards on the letter side. A REWARD—Of one dozen 'TEABERRY' to any one sending the best four-line rhyme on 'TEABERRY,' the remarkable little gem for the Teeth and Breath. Ask your druggist for address. Wilcox is making over \$60 per mon. on the C.P.R. He is night agent and operator at Selkirk. Some of the boys have to rough it. Conductors Munroe and Maltby are on the same section. The Graham family, Euphrasia, have been airing their grievances in the police court. James has been fined \$10 for assaulting John's wife, who was also fined 50c. for assaulting James. The attention of the inspector is called to a hole in the sidewalk opposite the English Church. The pedestrian who unwarily puts his foot in it, is apt to use words characterised more by strength than elegance. The safest, best and cheapest medicine in the world is Dr. Carson's Stomach and Constipation Bitters. Sold in large bottles at 50 cents by all druggists. Turner, Markdale; Parsons, Dundalk.

Front season closed. The largest livery owner in Main street, Kendall's Spavin Cure with the best success. HOUSES ARE SAID TO BE SCARCER AT FLESHERTON. J. R. Bond, Druggist, etc., Schomberg writes, "I have sold medicines for over twenty years, and no medicine could give better satisfaction than your Dr. Fowler's Extract of Wild Strawberry." This medicine is the old reliable cure for Cholera Morbus, Dysentery, and all summer complaints. Only eight prisoners in Owen Sound jail. Thousands have used Kendall's Spavin Cure for rheumatism after all other remedies had failed, and have experienced instant relief. The threshing machine finds the straw long and tough this year.

A WORD OF CAUTION.
Beware of Opiates and powerful astringent drugs in the treatment of Bowel Complaints they may kill the pain and check Diarrhoea, etc., but are liable to produce inflammation. Dr. Fowler's Extract of Wild Strawberry is guaranteed safe and reliable even for infants, and is a specific for Cholera Morbus, Dysentery, Colic, Acute or Chronic Diarrhoea, and summer complaints generally. There is likely to be some trouble at Chatsworth before the insurance money, re late fire, will be paid over. The result of the election has proved a grand success, but not more so than Kendall's Spavin Cure is proved to be every day. Read advt.

The Manitoulin steam ship, which was burned to water line a few months ago, is now being thoroughly repaired in the O. S. dry dock, and when finished will be strong, if not stronger than ever.

HOW IT WORKS.
The purifying and healing properties of Dr. Fowler's Extract of Wild Strawberry impart a healthy tone to the diseased mucous surfaces of the Stomach and Bowels. Its cooling, soothing properties counteract pain, its antiseptic properties correct canker and foul humour, and its tonic astringent nature corrects all exhaustive discharges—such as Dysentery, Diarrhoea, Cholera Morbus, and summer complaints generally. The English church, Owen Sound, is lighted with Gasoline, made especially for the church. The light is a good one. Robert A. Wilson, Dispensing Chemist, Brockville, says under date of June 5th, '82, "I have not the slightest hesitation in saying that Dr. Fowler's Extract of Wild Strawberry has given my customers more satisfaction than any medicine in my store for the cure of summer complaints; Diarrhoea, Dysentery, pain in the stomach, sea sickness, Piles etc., you can use my name etc."

It has been very clearly proved the past few weeks, when the farmers were busy harvesting, that Markdale is a quiet place without the agriculturalist. **DYSPEPSIA.** Is the most common of all diseases, and under ordinary drug treatment the most difficult to cure, it is a chronic weakness of the stomach with indigestion. The sensitive mucous membrane coating the stomach becomes irritated, and nearly all that enters the stomach continues to add fuel to the fire. Heartburn and sour eruptions, belching of wind, Nausea, headache, variable Appetite, Costive Bowels, etc., are its prominent symptoms. Burdock Blood Bitters is a positive cure for this miserable disease. Mr. J. R. Stoney, of Flesherton, has sold out his mattress factory, and now devotes his time to insurance.

The rebuilding of stores on the site of the late fire at Owen Sound is going ahead fast. **KIDNEY COMPLAINT.** The secretion from the Kidneys is often loaded with foreign and poisonous matter, a thick brick dust like sediment or a mucous collection forms. The Kidneys are often inflamed and congested, causing pain and weakness in the back and many distressing symptoms, Diabetes, Bright's diseases, Dropsy, and all urinary Complaints are promptly cured by that grand combination of diuretics, alterative tonics, &c., Burdock Blood Bitters. The August cheese at Flesherton factory sold for 11cts per lb. Total sales for August \$1600.00.

ROUGH SIEGE LAID TO HIM. Mr. James O. Neville, the well known General Import and Export Agent of the Allen "Line," and General Dominion Shipping Agent, of 538 Dorchester street, Montreal, is an active member of the Shamrock Lacrosse Club. "While on a late exhibition trip to the States," said Mr. Neville to the writer, "My old foe, the rheumatism, attacked me, and gave me a rough siege. I suffered with the ailment all through my trip and long after my return home. I tried several remedies and found them entirely useless." Having read the endorsements of well known people who had used St. Jacobs Oil, and been cured thereby, I determined to give it a trial. Upon the first application, I saw at once it was what I required. In two weeks time I was as well as ever, and fully able to attend to my business. I have not the least suggestion of Rheumatism since. It certainly is a remarkable remedy and one that seems to me to be infallible."

On Wednesday last Mr. Geo. Lawrence's dwelling house, cor. 2 & D. B. Glenelg, was burned. The furniture was saved. It is supposed the stove pipe caused the fire. No insurance.

The Mount Forest Advocate tries to be funny over an old story somebody has cooked up for his special benefit. It states that a Markdale man tore a dollar bill in halves to pay the 50c. admission fee to a hop at Chatsworth. Sold again! Was it not a Mount Forest man who bolted a door with his thumb? The prescription of a skillful physician, and composed of vegetable drugs of great remedial power, Dr. Carson's Stomach and Constipation Bitters purify the blood, give tone and vigor to the system, cures Dyspepsia and indigestion when all other medicines fail. Have you tried it? Sold by Druggists 50c a bottle. Turner, Markdale; Parsons, Dundalk.

We wait our correspondents to send in their items of news weekly. Don't say there is no news; there is news everywhere, and you'll find it if you keep your eyes open. Arrivals and departures of friends on business or pleasure; selling or trading of farms; deaths; accidents; house or barn raising; meetings of any kind; in fact any item of interest. Dry indeed is the place that cannot produce some item of news during seven days of the week. Just see how interesting a correspondence you can send us. Mr. Wm. Ranson, of South Norwick, says: For sixteen years I suffered from Biliousness, never had any medicine do me any permanent good until recommended by our druggists. (J. Wesley Fish & Co., Otterville,) to try Dr. Carson's Stomach and Constipation Bitters, which have done me more good than any medicine I have ever taken. I would, with the utmost confidence, recommend them to all suffering from Biliousness, &c. Sold by all druggists. Turner, Markdale; Parsons, Dundalk.
