JUST AT THE WRONG TIME.

Mr. Robert Wilson, of the City Surveyor's office, and Screet Commissioner of the Eastern Division for the Board of Public Works, Toronto, Ont., who is very fond of shooting says: "To lose a duck hunt is a loss for which there ia no adequate recompense. This misfortune lately overtook me. The boys got together recently and made arrangements for a good hunt. At the time the arrangements were entered into I was in good health generally; but just as the shooting was to take place, my old enemy, the rheumatism, came back to stay with me swhile again, and I had to forego the pleasure. The rheumatism has been a source of great bother to me, and I have done a great deal of doctoring for it, without much good. When the last attack came on me and crippled my hands so that they were drawn up, a friend of mine recommended St. Jacob's Oil, the Great German Remedy. I tried it, I am happy to say, and the result is that I am now cured and as well as ever. St. Jacob's Oil succeeded where more than a score of other liniments and medicines had failed."
