

As a speedy cure for Dysentery, Cholera Morbus, Diarrhoea Cholera, Cramps, Sick Stomach, Canker of the Stomach and Bowels, and all forms of Summer Complaints, there is no remedy more reliable than Dr. Fowler's Extract of Wild Strawberry. Dealers who sell it and those who buy it are on mutual grounds in confidence of its merits.

**WRECK OF THE "PICTON."**—The accident to the *Picton*, by running ashore at Rondeau Point, which we mentioned last week, seems to have occurred, as Capt. Dunn reports, from the compass being astray. She is a total wreck, having since broken up. Most of the cargo, which was for merchants here, has been saved. Now that she is gone, it is reported that she too, was starting to run without a proper certificate—Inspector Risley refusing to commission her for Georgian Bay without submitting to another examination by a competent man, and she started off without it.—*Times*.

**A REMARKABLE CASE**

W. A. Edgers, of Frankville, suffered from a disease of the Liver and Kidneys, that brought him so low that his life was despaired of; he lay for 10 and 13 days without an operation of the bowels; after taking one bottle of Burdock Blood Bitters he was enabled to leave his bed and drive out, three bottles more completed a cure, and he says that he is now a better man than he has been for years.

**FIRE IN DURHAM.**—About half past nine o'clock this morning the bell of Trinity church rang out a fire alarm, and on looking out we noticed that huge volumes of smoke were crossing Garafra Street. On proceeding in the direction indicated we discovered that a large wood shed, almost close to the residence of Mr. Alexander Robertson, in rear of the Town Hall was all ablaze, and it looked almost as if there would be a general conflagration of a large portion of the Town. Fortunately the fire was not far from the river, and a line of our townsmen was quickly formed and pails supplied from the neighbouring stores, a strong stream of water was soon being emptied on the fire on that side, and a similar line was formed on the other side to Mr. McAlister's pump, and by the combined efforts of the two lines and the energetic way in which the men worked the fire was principally confined to the shed in which it originated, although it burned very fiercely for nearly an hour. The corner of the house and a shed belonging to the McAlister House was much charred, and were often blazing up, but the fire was at last subdued. Mr. Robertson was lying sick at the time. A quantity of the furniture was removed from the house, its self was not seriously damaged. There is some insurance on the place. We did not learn the amount of the loss, but should judge it not to be over \$200. It was gratifying to see the manner in which the fire was subdued by the residents of the town, thus preventing what might have been a great calamity. But it was a narrow escape. As far as we can learn we believe the fire was started by some small children at play.—*Review*.

It has been remarked that the quotation, "that it is better to give than to receive," applies to medicine kicks and advice, but this rule don't apply to Dr. Fowler's Extract of Wild Strawberry. Those who receive that, get a reliable and intangible remedy for Cholera Morbus, Colic, Dysentery, Canker of the Stomach and Bowels, and all Summer Complaints of Infants and Adults.

**Mothers! Mothers! Mothers!**  
Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother upon earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle. 75-127
