

KENDALL'S SPAVIN CURE.

The most successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

Kendall's Spavin Cure.

HAMILTON, Mo., June 14, 1881.

B. J. KENDALL & Co., Gents:—This is to certify that I have used Kendall's Spavin Cure, and have found it to be all that it is recommended to be and in fact more too; I have removed by using the above: Callous Bone Spavins, Bing-bone, Splints, and can cheerfully testify and recommend it to be the best thing for any bony substance I have ever used, and have tried many as I have made that my study for years.

Respectfully yours,
P. V. CRIST.

FROM
Col. T. L. Foster,

YOUNGSTOWN, Ohio, May 10, 1880.

Dr. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express. I determined at once to try it, and got our druggist here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it.

Very respectfully,
L. T. FOSTER.

Kendall's Spavin Cure.

WINGHAM, Ont., Jan. 17, 1882.

Dr. B. J. KENDALL & Co., Gents:—This is to certify that I have used Kendall's Spavin Cure, bought from C. E. Williams, druggist, Wingham, Ont., and do without hesitation pronounce it to be an invaluable remedy for the cure of Spavins, Ringbones, or Curbs. I used it on a bone spavin of several years growth which it completely removed, and I can safely say it will remove any Spavin, Curb or Ringbone it properly used. I have also recommended friends to use it, who have done so with perfect success. I gladly make this public, and will answer any questions or letters sent me.

Yours &c.
GEORGE BRYCE.

Kendall's Spavin Cure ON HUMAN FLESH.

WEST ENOSBURGH, Vt., Feb. 15, 1881.

Dr. B. J. KENDALL & Co., Gents:—Several months ago I injured my knee joint which caused an enlargement to grow the size of a walnut and caused me very severe pain all the time for four or five weeks, when I began to use Kendall's Spavin Cure with the most satisfactory results. It has entirely removed the enlargement and stopped the lameness and pain. I have long known it to be excellent for horses but now I know it to be the best liniment for human flesh that I am acquainted with.

Yours truly,
T. P. LAWRENCE.

ST. JOHN, P. Q. Oct. 27, 1881.

Dr. E. J. KENDALL & Co., Gents:—I have used your Spavin Cure with great success on spavins, curbs and splints. I know it to be a good remedy for ringbones, bone spavins, cuts, galls and all kinds of lameness and other difficulties about the horse. One of my men sprained his ankle very badly. I applied Kendall's Spavin Cure and I never saw anything work like it, he was well in a few days. I know it to be good for man as well as beast. I procured one of your Treatise on the Horse, by mail for 25cts, and I think it was the means of saving me \$100 on one horse that I treated according to the directions given in your book for displaced stifle.

Yours truly,
WM. J. PEARSON.

Send address for Illustrated Circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price \$1 per bottle, or six bottles for \$5. All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors. Dr. B. J. KENDALL & Co., Enosburgh Falls, Vt.
