MARKDALE, OCT. 20th, 1882.

A BEASTLY QUARREL.

A MAN STABBED.

On Saturday night last, about 10 o'clock, a quarrel arose at Mrs. Caswell's boarding house...

The following day a warrant was issued and one John Doyle arrested, and on Monday a Magistrate's court held...

IMPROVEMENTS.

Hill Bros. have their elevator closed in, roofed and painted, and are now ready for grain.

The Presbyterian church is roofed and ready for plastering.

Mr. Reynolds has removed into his new residence.

Mr. Dunlop's new brick building is now occupied by the new baker, Mr. Clark.

The new sidewalk is nearing the station.

A \$200 BIBLE REWARD.

The publishers of Rutledge's Monthly offer twelve valuable rewards in their Monthly for November, among which is the following: We will give \$200.00 in gold to the person telling us which verse in the New Testament Scriptures...

Mr. Masson has returned from Manitoulin court, and will be in Markdale on Friday and Saturday.

One thousand women wanted to try McFarland's thirty cent tea; it is perfection.

TAKEN TO THE CITY.—George Harecourt, the T. G. & B. baggage-man who accidentally shot Mrs. Taylor while shooting "divers" at the Queen's Wharf...

The verdict of most of the people of this section is that W. J. McFarland's Teas are the best and cheapest.

On a car being opened at Moncton, N. B., a few days ago, which had been sealed in Toronto, a tramp was found crouching between a number of sewing machines.

Quality is the true test of cheapness in that since McFarland's tweeds are cheap; McFarland's dress goods are cheap; McFarland's shawls are cheap; McFarland imports direct.

Rheumatism. This painful disease that so often cripples for life, arises from poison circulating in the blood, and often from an excess of acid. Inflammation is developed at the muscles, ligaments and joints...

THE FARMER'S ADVOCATE is still improving and is without doubt the best agricultural paper published in Canada. We cannot but admire its independent course it has pursued during the ten years we have read it.

Thos. B. McComb who has removed two buildings in this place with his moving apparatus and proved himself fully competent for the business, is now at liberty and will remove or raise buildings of any size.

SALE LIST.

Mr. Joseph Brown, of Osprey, (near Brewster's Lake) will sell his farm stock, implements and household effects on Wednesday, Nov. 1st, by public auction.

Mrs. Coultts, lot 22, con. 7, Osprey, will sell by public auction on Tuesday, 1st Oct., all her stock, implements, &c.

Mr. Geo. Beatty who was stabbed in now in a critical condition, and his wounds may yet prove fatal.

Alex. Hannah's "Little Pete" won first money (\$75) for trot, open to all, and two straight heats in first trot, the third heat being disputed by the judges.

A FACT.

If you suffer from Chronic Disease, and have little faith in advertised remedies and have sought vainly for a cure, consult your druggist, or address T. Milburn & Co. Toronto, for proof positive regarding the Merits of Burdock Blood Bitters, the Great Regulating Blood purifying tonic, that acts on the liver, kidneys, stomach, bowels and skin.

Manitowaning is now well supplied with churches. Episcopal, 1849; Methodist Presbyterian, 1877-8; Baptist, 1882.

Mrs. B. M. Gifford, of Port Rowan, was for many years a sufferer of Liver Complaint, and a serious complication of diseases.

Four years ago there were only three municipalities on this Island; now there are seven. Four years ago we only had two agricultural societies; now we have five.—Manitowin Expressor.

C. F. Knight, dentist, will be at the Markdale House on Tuesday next, the 31st, when he will be prepared to execute all work entrusted to him in a satisfactory manner.

On Friday evening, 29th inst., at the raising of a log barn on the farm of Mr. Felix Farden, Glenelg, a log fell from the building. All managed to get clear except Mr. W. Webster. The log struck him dislocating his ankle and fracturing one of the bones of the leg.

All persons suffering from Coughs, Colds, Asthma, Bronchitis, Loss of Voice or any affection of the Throat and Lungs, are requested to call at A. Turner & Co's Drug Store and get a Trial Bottle of Dr. King's New Discovery for Consumption, free of charge, which will convince them of its wonderful Merits and show what a regular dollar-size bottle will do. Call early.

The British Government insists that Arabi Pasha shall have the benefit of a first-class English lawyer to defend him; but the Egyptians, who did nothing to put down the rebellion, keeping at a safe distance while the English did the fighting, now claim the right to deal with the rebel leader, and would hang him right off, without allowing any defence. However, the British Government is in a position to dictate, and will see that he is properly defended.

BEST OF ALL.

Our rigorous and changeable climate, and our mode of life induces frequent colds, that often lead to severe Coughs, Bronchitis and other lung troubles that are liable to end in Consumption. The best and pleasant remedy known for these difficulties is Hagar's Pectoral Balsam, to be obtained of any Druggist.

The Markdale Methodist S. S. Anniversary was held yesterday evening (Wednesday) in Dufferin Hall. The evening was very fine and there was a crowded house. Tea was served in the basement, after which all adjourned to the hall. The children's platform, which extended out about 16 feet and across the full width of the hall was handsomely decorated, having very striking imitations of palm trees and Jewish Tents, laden with harvest fruits and flowers, illustrating the Jewish Feast of Tabernacles. The Cantata was rendered in a creditable manner by the school and choir. Dr. Armstrong took his position at the organ and acted his part in his usual easy and masterly manner. The school gave evidence of being thoroughly trained, rendering the various parts throughout with marked ability, and reflecting great credit on Mr. Bowes, (the Superintendent) whose untiring efforts and matchless patience and perseverance in training the children, may chiefly be attributed in the grand success of the entertainment. The best order prevailed throughout, which is in itself worthy of commendation. The receipts amounted to about \$50 net. During the intermission a beautiful easy chair was presented to the superintendent by Eddie Reynolds on behalf of the school, of which we will give further particulars next week.

SUDDENLY SEIZED.

Mr. Arthur Fisher, of the Toronto Globe observes: "On my last trip to the States, I caught a very bad cold from a severe wetting I received one night in the city of Philadelphia, which settled into a very bad case of rheumatism, and made me most miserable. I did not know what to do for it, and could not think for a long time, until I thought me, that on previous visits to that side, I had always bought for Mr. Gray, of our paper, a couple of bottles of St. Jacobs Oil. I remembered also, fortunately, that the last two bottles had cured that gentleman of the rheumatism and so I resolve to purchase St. Jacobs Oil for my own use. I went at once to a drug store and made the purchase; that very night I began applying the Oil, and in two weeks time I was as well as ever."

THE Egyptian War Whining Foe.

The Egyptians have fallen, and their death cry "peccavis" (or I surrender) is heard; but the wretched creature Arabi Bey, who was only the tool of a Machiavel behind the scenes, has been treated by a magnanimous generosity by General Wolsley and the British Government. Hence we wish five or ten thousand men and women, and as many boys and girls, to visit our new, fashionable and incomparable stock of goods, and we feel sure they will, one and all, cry "peccavis" and secure to themselves bargains not to be had elsewhere in this country, consisting of

We will pay cash or trade.

Scarcely four months have elapsed since we opened business in Markdale, and we believe no firm in the county of Grey has, in the same number of years, opened out such a large, costly and varied stock, and the flattering patronage of an appreciative public causes us to treat with contempt the malignant rage of blind envy, as our business has far exceeded our most sanguine expectations when we opened out here. We are permanently located in Markdale; our footing being such we will continue with the same energy in the future as in the past to increase our business until it shall rival the oldest commercial houses in the county of Grey. (Gas is not the order of our house but so id facts as all may see by giving us a call.
