Between damages and law costs, Listowel had to pay \$506 recently in a suit brought by Mr. Climie for injuries sustained through a defective side walk.

Thanksgiving Day passed off very quietly in this place, business being suspended. Services were held in the Presbyterian church at 10.30 a.m., and in the Methodist church at 2 p. m.

BEAT THIS, YE THRESHERS.—Messrs Ross & Roe, with their Vibrator Threshing Machine, threshed 5000 bushels of wheat in four hours, for Mr. Henry Hurd, Queen's Valley, Euphrasia. Trot out your big threshers.—*Advance.*

Subscribe for your local paper and pay for it in advance, and if you feel at the end of the year that you haven't got your money's worth, then your fortune is made. You can go to any Museum and get a salary of \$5,000 a year as a curiosity.
Geo. Noble, auctioneer, has been favored with instructions from John Wesley Shore, lot 5, con. 8, Euphrasia, to sell by public auction on Monday, Nov. 27th, a large quantity of farm stock, implements, etc. Sale to commence at one o'clock p. m. Terms, twelve months credit on sums over \$5 on approved joint notes.

VENNOR'S ALMANAC.—We have just received Vennor's Weather Almanac for 1883, published by A. Vogeler & Co., of Baltimore and Toronto. It is a readable publication and is of considerable interest to the public. Besides the weather predictions there are a large amount of useful information in regard to matters meteorological, so that its price, 10 cents, is not by any means, too much.

THE STANDARD office is the place to get sale bills printed. Auctioneers say we do their bills the most prompt and satisfactory of any place they have dealt, and besides we have by far the largest and most general circulation of any local paper in Glenelg, Artemesia, Osprey, Euphrasia and Holland townships, and a free notice is given of every sale for which we print the bills.

DASTARDLY.—On Monday evening last Mr. John Middleton, in company with a neighbour, drove up to McAlear's Hotel, Fleesherton Station, and after tying the horses to a post, went in. During the short interval which elapsed between the time they went in and came out again some villainous scoundrel had cut the harness on the horses to pieces almost. Mr. Middleton will pay \$2 reward to any one giving information that will lead to the detection of the guilty party.—*Advance.*

The concert given on Thanksgiving Day in the Dufferin Hall by the Christ Church L. A. S. was a marked success in every way. The programme, which was not only lengthy but rich, was well sustained, almost every piece receiving an encore. The instrumental trios by Miss Ford and Messrs. Newen and Copeland, and by Messrs. Vick, Reid and Douglass, of Owen Sound, were enthusiastically received, as they well deserved to be; Mr. Vick is a most accomplished violinist. Where all did so well it is difficult to make distinction, but we could not in fairness allow to pass unnoticed the vocal solos of Mrs. Asbury and Miss Kelsey, from Durham, both of whom possess talent rarely surpassed by the most popular professionals. We were pleased to notice for the first time the appearance of Mrs. Turner as one of our Markdale amateurs, and we welcome the addition to our local talent. The Christ Church L. A. S. have always been successful in their attempts to provide the public with an enjoyable and profitable evening's amusement, and we must say that this was one of their best and most successful efforts. Proceeds \$45.70.

MANHOOD
HOW LOST, HOW RESTORED
We have recently published a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to Marriage, &c., resulting from excesses.
Price, in sealed envelope, only 6 cents, or two postage stamps.
The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
This Lecture should be in the hands of every youth and every man in the land.
