

The Telegraph System. The growth of the country and the increase of its business make constantly increasing demands upon the facilities of communication, by rail and water, by post, by telegraph, and we should now add by cable. No other of these systems, it is said, is of greater importance to the people of this country than the telegraph, which has reached to a development as indispensable to commerce; and the means by which telegrams can be transmitted and answered is a matter of great importance to the manufacturer, the merchant, and the shipper. We look for the extension of the telegraph system, and the enlargement of its facilities for rapid inter-communication.

Dr. R. V. Pierce's "Golden Medical Discovery" cures every kind of humor, from the common pimple or eruption to the worst scrofula. Four to six bottles cure salt-rheum or tetter. One to five bottles cure the worst kind of pimples on the face. Two to four bottles clear the system of boils, carbuncles, and sores. Five to eight bottles cure corrupt or running ulcers and the worst scrofula. By druggists, and in half-dozen and dozen lots at great discount. CATTLE SHIPMENTS.—The Hon. M. H. Cochrane recently shipped 14 cars of cattle from Compton to Chicago fair. One enormous fat ox was shipped weighing nearly 3,000 pounds. Weak lungs, spitting of blood, consumption, and kindred affections, cured without physician. Address for treatise, with two stamps. WORLD'S DISPENSARY MEDICAL ASSOCIATION, Buffalo, N. Y. HEAVY HOGS.—At Barnston, Mr. Peter Gooley killed a seven months pig a few days ago which weighed (dressed) 335 lbs., and Mr. Silas Hill killed a 6½ months one which turned in the scales (dressed) at 346 lbs. "A Drop of Joy in Every Word." Dr. R. V. PIERCE, Buffalo, N. Y.: Three months ago I was broken out with large ulcers and sores on my body, limbs and face. I procured your "Golden Medical Discovery" and "Purgative Pellets" and have taken six bottles, and to-day I am in good health, all those ugly ulcers having healed and left my skin in a natural, healthy condition. I thought at one time that I could not be cured. Although I can but poorly express my gratitude to you, yet there is a drop of joy in every word I write. Yours truly, JAMES O. BELLIS, Flemington, N. J. "Discovery" sold by druggists. LIGHTLY TAXED.—The total rate this year in Shelburne for municipal purposes is only ten mills in the dollar, notwithstanding the additional expenditure incurred by the building of the town hall. What is beautiful? Why, Carboline, a deodorized extract of petroleum, as now improved and perfected. Clear as spring water, delightfully perfumed and will not soil the finest linen fabric—a perfect toilet preparation and absolutely makes the hair grow on bald heads. BURNED IN SOFT SOAP.—One day last week Mr. R. Little's boy, a child of three summer, accidently fell into a tub of soft soap. The little fellow fell in head first, and would soon have been smothered had he not twisted himself into a sitting posture. As it was his eyes were badly burned.—*Mt. Forest Advocate.* ENTERPRISING.—The St. Catharines General and Marine Hospital is out of debt, and has some thing of a surplus. A hard struggle has been the experience of the past. The trustees of St. Andrew's church, Windsor, have decided to erect a new edifice to cost not more than \$9,000, commencing work in the spring.—*Bellefleur stands in a fair way to be possessed shortly of an excellent museum. The Murchison Club has decided to take the matter in hand, and the Albert College authorities, already owning quite a valuable collection, have offered to provide the required rooms.* DAVY & CLARK, Druggists, Renfrew, date of Jan 3rd, writes, "Burdock Blood Bitters though comparatively a new preparation, has taken the lead in this locality as a blood purifier, our sales of it being equal to that of all other medicines used for the purpose during the last year." IS. DRY ROT is damaging potatoes, especially "Early Rose" variety, in the neighborhood of C. T. Cook. A Blessing in Disguise. No one would suppose that the introduction into a family of a bottle of Putnam's Painless Corn Extract would be the means of restoring peace and prosperity. Corns are painful, and the constant consciousness of this upon even the best natured produces nervous depression, ill temper, recklessness, leading to a desire to spend their time away from the bosom to their family. In order to avoid the evils above mentioned always keep a bottle of Putnam's Corn Extract on hand. Sold everywhere. FOUR HUNDRED SHAD were caught the other day by three gentlemen of Phillipsburg. An Admonition. To neglect a cough or cold, is but to invite consumption, that destroyer of the human race. Hagerd's Pectoral Balsam will cure the cough and allay all irritation of the bronchial tubes and lungs, and effectually remedy all pulmonary complaints, such as Asthma, Bronchitis, Whooping Cough, &c. &c. A LARGE SAW-MILL has been built by Messrs. Buck & Stevens at Bolton Centre. INDISPENSABLE.—There are some simple remedies indispensable in every family. Among these, the experience of years assures us, should be re-ordered Briggs' Electric Oil. For both internal and external application we have found it of great value; especially when we recommend it for colds, rheumatism or nervous complaints. A CHESS CLUB is talked of at Waterloo. "A. P." 102

A Big Investment.
G. M. Everest, of Forest, states that Hagerd's Pectoral Balsam still holds its own amongst the many cough medicines in the market. He says that he has sold it for nearly sixteen years, and the sales are steadily increasing. One family has purchased over 50 bottles for various members and friends. 13
A FAST RUN.—A fast run was made over the Great Western Railway division from Hamilton to Suspension Bridge by No. 502 special—the second section of No. 3 express—last Tuesday week. The distance of 43½ miles was accomplished in 55 minutes, including one stop.
Undoubtedly the best medicine to keep on hand for Colds, Coughs, Asthma Bronchitis and Pulmonary troubles generally, is Hagerd's Pectoral Balsam. It will not cure Consumption, but it will cure those troublesome conditions leading thereto. 16.
SCALDED TO DEATH.—Mr. John Cousins, of Bolton Glen, had a child two and a half years of age, so badly scalded the other day, by sitting down in a bucket of boiling water, that it lived only about thirty-six hours afterward.
A Secret.
The secret of beauty lies in pure blood and good health, without the one the other is impossible. Burdock Blood Bitters is the grand key that unlocks all the secretions, opens the avenue to health by purifying and regulating all the organs to a proper action. It cures all Scrofulous Diseases, acts on the Blood, Liver, Kidneys, Skin and Bowels, and brings the bloom of health to the pallid cheek. 14
A MUTUAL IMPROVEMENT SOCIETY has been formed at Coaticook. Rightly conducted it may become a power for good.
Vegetine
Five Doctors Did Not Cure.
Clinton Street, Toronto, Ont., Sept 18, 1879.
Mr. H. R. Stevens:
Dear Sir—I hereby certify that I have been sick for the past year, unable to get any relief whatever. I have been under the care of five of the best physicians, each one giving my illness a different name. The first said *General Debility*; the second, *Femine Debility* and *Impediment*; the third, *Liver Complaint* and *Dyspepsia*; the fourth said I was in "*Consumption*"; the fifth said, *Neuralgia* in the lungs, and was certain I would never enjoy good health, so I concluded to give up doctors and commenced taking *Vegetine*. At this time I was very weak. I had pain in my side, back and chest, slept very little, and the food I ate caused me pain. I was a burden to myself and friends. I was persuaded to try *Vegetine*. A friend gave me a bottle to try, not thinking it would do me any good, as I had no hope of ever getting any better. After using the first bottle my head was better, and I could sleep better. The next two my appetite came, and I was able to enjoy my food. I have now taken five bottles. I have a good appetite and sleep well, have no pain, and am able to do most of my own work. I pronounce your *Vegetine* the best of any other, and can cheerfully recommend it to any one in need of such a medicine. Yours respectfully,
MRS. E. ALLEN.
Rheumatism Cured.
Toronto, March 29, 1879.
Mr. H. R. Stevens:
Dear Sir—I was troubled with *Rheumatism* in my knee and hip joints for nearly a year. I tried a number of medicines to effect a cure, but none gave me any relief. A friend recommended me to try your *Vegetine*, which I did, and after taking two bottles of it I found relief. I took four more bottles, and the pains completely left me. I feel satisfied it is a cure for *Rheumatism*. Yours respectfully,
M. ALLEN.
6 Rossin House Block, Toronto, Ont.
Vegetine—For eradicating all impurities of the blood from the system, it has no equal. It has never failed to effect a cure, giving tone and strength to the system debilitated by disease.

T. MILBURN & CO., Proprietors, TORONTO.

Ayer's Sarsaparilla, For Purifying the Blood. This compound of the vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the termination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as *Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blisters, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility.* With their departure health returns.
