THE Government have issued "reply" postal cards, by which the sender of a postal card desiring a reply can send a card attached on which to write it. This will be found a great convenience; for experience shows that often replies are neglected for days because the receiver does not happen to have a postal card at hand to reply at the time of receiving one; but with the "reply" card furnished he would probably write his answer and despatch it at once.

MANHOOD

HOW LOST, HOW RESTORED

We have recently published a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical incapacity, Impediments to Marriage, &c., resulting from excesses. Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.
