TRUE TO HER TRUST.
Too much cannot be said of the ever faithful wife and mother, constantly watching and caring for her dear ones, never neglecting a single duty in their behalf. When they are assailed by disease, and the system should have a thorough cleaning, the stomach and bowels regulated, blood purified, a malarial poison exterminated, she must know that Electric Bitters are the only sure remedy. They are the best and purest medicine in the world and only cost fifty cents. Sold by A. Turner.

A POWER IN THE HOUSE OF PARLIAMENT.

Conspicuous among the influential men of the Dominion is Mr. J. H. Metcalf, Member of Parliament from the city of Kingston. Commencing life as a school teacher, he has steadfastly worked his way upward to the honored position in business and politics he now holds. Coming to a personal matter we would mention that Mr. Metcalf was formerly subject to extreme soreness of the chest, for which, as he himself says "I could find no remedy but St. Jacobs Oil, the Great German Remedy." In the following letter Mr. Metcalf gives evidence of his appreciation. "Itake great pleasure in stating that I used St. Jacobs Oil for extreme soreness of the chest, and found it to be an excellent remedy. I would not be without it for ten times its selling price, as a family remedy it certainly has no equal."

HAPPINESS IN THE ROYAL OPERA HOUSE.

In a recent conversation with Mr. Connor, Royal Opera House, (Toronto), he spoke as follows to a representative of a prominent journal in reply to a question concerning his health: "During the early part of last October I had a severe attack in my right knee, of what my physicians pronounced acute rheumatism. I used many so-called rheumatic remedies without having any apparent benefit. Observing that St. Jacobs Oil was being constantly recommended by many of the leading members of our profession, I decided to give it a trial. Accordingly I purchased a bottle of the article and applied it as directed. From the first application I commenced to improve, and before I used two-thirds of a bottle, I was entirely cured, and have experienced no return of my ailment."
