"Why, my son, he is a man who is very anxious to get work for others to do. He himself doesn't want any."
WORTHY OF PRAISE.

As a rule we do not recommend Patent Medicines but when we know of one that really is a public benefactor, and does positively cure, then we consider it our duty to impart that information to all. We know whereof we speak, and can freely recommend them to all.—Ezech.—Sold at fifty cents a bottle, by A. Turner & Co.

THE SUPERINTENDENT IN LOVE

Supt. E. J. O'Neill, of the Dominion Police Force, Ottawa, Canada, thus spoke to a representative of one of Ottawa's leading journals: "I am actually in love with that wonderful medicine St. Jacobs Oil. I keep it at home and likewise here in my office; and though my duty should call me hence in an hour to journey a thousand miles, St. Jacobs Oil would surely be my companion. It is the most wonderful medicine in the world without any exception, I believe. My entire family have been cured by it. We have used it for twenty different ailments, and found it worth half a dozen doctors. My men here on the Dominion Police Force, use it right along and very justly think that there is nothing like it. I believe it is the long sought *Elizir Vitae* and possess the power of making the old, young again. I know it often enlivens me, and although I am past fifty years of age, I am, thanks to that wonderful agent, a lively man yet.

There is no doubt a lean man can enjoy a fat legacy.

A WELL "CURED" EDITOR.

At No. 80 King Street, East Toronto, Ont., are the editorial rooms of the *Sunday School Manual*, edited by Mr. Withrow, of 249 Jarvis street, in the same city. Conversing recently with several gentlemen, one of them the representative of the largest advertisers in the world.—Mr. Withrow remarked: "As to advertising, I consider St. Jacobs Oil the best advertised article by far. It is a splendid remedy too. Besides the many cases of rheumatism it has cured right amongst us, it has rendered me most efficient service in curing a severe soreness of the chest and an obstinate headache. It does its work satisfactorily."
