**WOMAN'S TRUE FRIEND.**

A friend in need is a friend in deed. This none can deny, especially when assistance is rendered when one is sorely afflicted with diseases, more particularly those complaints and weakness so common to our female population. Some one has said that short speeches are most impressive, and simple, sweet music the most touching. If there be anything in the idea, certainly the following from C. C. De Zouche, of De Zouche & Co., Piano and Organ Dealers, 233 St. James street, Montreal, is to the point and convincing: "St. Jacobs Oil has proved of incalculable value to me in a case of rheumatism, having given me almost instant relief." In the same strain of expressive brevity writes Mr. John Fleming, editor in chief of the Montreal Post: "I have much pleasure in stating that from the use of St. Jacobs Oil, I find it excellent and I think it a good medicine."

At the county council last week the following were appointed Co. valuers—E. Myles, Reeve of Euphrasia; J. Murdoch, Reeve of Egrement; H. Reid of Sydenham, which will necessitate a new election in the two former townships.

**EFFECTIVE WORK.**

The following specific information, imparted by thoroughly reliable people will convey a clearer idea than any amount of abstract reference, how certain desirable results are being accomplished. Mr. Alexander McKeehan, Rochester, Ontario, says: "I was a perfect cripple with rheumatism in my arms and feet for more than two weeks, when I was advised to try St. Jacobs Oil. I did so; in two days I went to work, and at the end of a week I was as well as ever. I consider St. Jacobs Oil a 'dead end' cure for rheumatism in every form." Mr. James Dempsey, Coburg street, Ottawa, is pleased to remark: "Having suffered for some time past with rheumatism in the back, I am gratified to say that I have been completely cured after a few applications of St. Jacobs Oil, and can confidently recommend it to any one suffering in like manner."
