A fortune teller has been in our midst; one who claims a little descent from Meg Merrilis. She did not stir the cauldron like witches in Macbeth, but stirred the cards—to save expense—and forecast destinies. Those whose prospects seemed favourable said she was wonderful, and the others said she was an old plug.

EARS FOR THE MILLION
100 CHOO'S BALSAM OF SHARK'S OIL positively restores the Hearing, and is the Only Absolute Cure for Deafness known. This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as CARCHARODON RONDLETTI. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest were discovered about the year 1410. Its cures were so numerous, and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal, that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1.00 per bottle.

Hear what the Deaf say:
It has performed a miracle in my case. I have no unearthly noises in my head, and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me.
Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to Haylock and Jenney, 7 Dey Street, New York, enclosing \$1 and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so.—Editor of MERCANTILE REVIEW.
