Mr. Brown
Mr. Brown is leaving Markdale to go into the Wholesale Jewelry Business in Toronto, not wishing to leave Markdale altogether, he has entered into partnership with Mr. W. ROWEN, late of Flesherton, as a practical watchmaker and comes with the best recommendations from some of the leading watchmakers in the district.
Brown will carry on the business in Markdale.
All work entrusted to him will be done in a workmanlike manner.
All work will be guaranteed, and all goods sold will be found as represented, or money refunded.
Mr. Brown's
People's Watchmakers & Jewellers

SCHOOL BOOKS.—All the authorized books for common schools for the Medical Hall.—A. TURNER & Co.
The Warton Echo of the 16th inst., they have had no railway communication since the 6th, in that place, on the storm, and great depth.
The railway is doing about the best in Canada, the company and they deserve credit for the vigor with which they have laboring the road open.
The first time in the history of Canadian Parliament, father and son are sitting as members of the House of Commons. The gentleman who occupy this relation the other are Sir Charles Tupper and Mr. Charles H. Tupper, member of Pictou.
A man named Sexsmith, supposed to be from Mount Forest, Ont., while on a well on the farm of John Smith, six miles west of Wolsley, Ontario, N. W. T. struck gas, and the rope could be lowered and became powerless, owing to the body has not yet been released.
If you wish to subscribe, or renew your subscription for the daily or weekly Mail, or Globe, Daily World, Star, Farmers Advocate, Farmer, American Agriculturist, or Scientific American, hand your subscription to us at the Standard Office, we will forward it and return our own risk.
The concert given by the Ball Family and Singers, in the Methodist Church on Thursday evening, was well attended notwithstanding the political storm in the village at the same time. Their selections were rendered in an able and masterly manner, and were received with applause. Receipts amount \$25.75.
The Farmers Advocate for February, and is in no degree better than the former issue, in valuable information for the agriculturists. The editor offers \$100, in prizes for the best variety of fall and spring produce to be competed for at the next agricultural exhibition, commencing at Markdale September 24, 1883. Genes of interest on the farm, Dairy, Stock, Garden and Apiary with the usual interesting matter for the Household and Circle may be found under their respective headings. \$1.00 per copy; subscriptions taken at this rate.

Osprey council will meet at Faversham next Monday, the 26th.
First class flour and all kinds of feed at Barrhead Mills again.
New importations now on the way from Europe for W. J. McFarland.
M. Richardson's Annual Sale commences first of March, at Flesherton.
Good News FOR EVERYBODY.—Barrhead Mills thawed out, and running on full time.
One car load of sugar just received by W. J. McFarland. Purchased before recent advance.
Hunter and Blyth are nominated for South Grey, but Trimble & Wright have won a victory in drawing the crowd.
An old coat, vest, and hat was found on Monday morning near where the fire occurred. The party who lost them can have the same by calling at Trimble & Wright's.
A rapid thaw set in on Thursday, and continued until Friday night, during which time a great quantity of rain fell filling cisterns, and even cellars in some cases. The water famine is now past but the roads are in a bad condition.
Who are you going to vote for? Well, they say Sir John gives good markets, but Trimble & Wright give the best bargain in goods.
Madam Wilson has been in Markdale for some weeks past, and appears to have a good knowledge of phrenology, besides telling with wonderful accuracy past happenings and present circumstances, also foretelling future events as to prosperity or adversity, &c.
It pays to keep a good breed of stock. Mr. Thos. Boland recently killed and dressed two hogs, 5 months old less one day, which weighed 298 lbs. They were a cross between Berkshire and Poland China, and were purchased from Mr. Jas. Fair, 6th line St. Vincent.
The weather continues stormy—however, you need not suffer from cold when you can purchase a suit of clothes, boots, cap and mits for \$7.75.
The Chesley Enterprise comes now to hand in an improved form having changed recently to an eight page 40 column. It is a creditable sheet, and the efforts of the Editor, Mr. J. Stephens, will no doubt be appreciated by the citizens of that prosperous village and vicinity.
M. Richardson's Sale of dry goods and clothing commences 1st of March, at Flesherton.
Mr. Gurney, the Durham bank teller, who decamped recently leaving a shortage of \$19,000, has been captured at Buffalo by detectives who were sent out. Gurney disgorged to the amount of \$15,100 and his bonds covered the balance, so that the bank is fully indemnified from loss. The prisoner will likely be extradited and prosecuted according to Canadian law.
Talk as you please in favor of doctors and lawyers for M. P. P., but the farmers have decided unanimously in favor of Trimble & Wright for cheap goods.
The Stayner Sun says the N. & N. W. Ry., has braved the storms and experienced slight delays, and is the only road which makes any pretence to run on time, and in the second item following in the same issue affirms that Stayner is for all practical purposes, the terminus of the railway, trains being unable to reach Collingwood owing to the drift. A discrepancy somewhere.
Mr. Lauder's meeting in Dufferin Hall, Markdale, on Friday evening, the 16th was fairly attended. Mr. A. Elliott was voted to the chair, and called the meeting to order about 8 o'clock. Mr. McColeman, Reeve of Collingwood Tp., and the candidates, Messrs. Lauder and Miles addressed the meeting on the questions of the day. There was good order maintained, and the speakers received a good hearing. A majority of those present appeared in favour of Mr. Lauder.
March is generally a quiet month. M. Richardson, of Flesherton, always makes it lively with his Annual Sale.
The Editor of the Flesherton Advance told his readers two weeks ago, that we, (of the STANDARD) had lost about 250 of our old subscribers, and that we didn't get a new one. Now, Mr. Fawcett knew the above statement was false and misleading. The STANDARD never had as large a circulation as at present, and its popularity is unquestioned by the public, who are the judges. Last week he made the announcement that we had buried our neutrality in politics, which statement is also without foundation. We can say with due respect to truth that our position as a public journal is unchanged from the commencement. Not so the Advance.

TO THE Electors of East Riding OF THE COUNTY OF GREY.
GENTLEMEN,—
Having been solicited by a large number of the Electors of this Riding to offer myself as a candidate for your suffrages, for the representation of this Riding, in the House of Assembly of Ontario, at the approaching election, I have consented to become a candidate for the following reasons:
1. There is a growing feeling in this constituency that it should be represented by a resident farmer, and not, as at present, by a Toronto lawyer whose interests (owing to his profession and location) cannot be identical with yours.
2. I am a farmer, and have been a resident of this County for thirty-six years. Having represented the Township of Euphrasia in the County Council for ten years I flatter myself that I am well acquainted with your wants and requirements and will, if elected, use my utmost endeavors to further your interests.
I may state that I have been identified with the Liberal Conservative party, although always advocating independent principles—refusing on all occasions to accept the errors in Legislation of my own party, as wise and useful, or to denounce the best acts of my opponents to be injurious and "corrupt," as at present practised by party politicians.
If elected I will vote and act for the best interests of my constituents and the Province of Ontario, irrespective of party—I will support "measures and not party."
I will use my best and most earnest endeavors to have the jurisdiction of the Division Court extended from \$200, as at present, to \$400; and also to have our Municipal Assessment and Line Fence Acts amended so that many of our local differences can be settled at home, without the aid of Lawyers and expensive litigation.
Believing the time has come when Farmers, independent of party cries, will assert their independence by electing one of themselves. I confidently solicit your vote and influence at the approaching election.
I have the honor to be, Gentlemen,
Yours ob'd. Servant,
ROBERT MYLES.
