# MANHOOD

We have recently published a new | dale. SEAL edition of Dr. CULVERWELL'S CELE-BRATED ESSAY on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical incapacity, Impediments to Marriage, &c., resulting from excesses.

Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself

cheaply, privately and radically. This Lecture should be in the hands of every youth and every man in the land.

Wareham is to have a cheese factory.

Orangevile is to have a public bath house. The assessment of Orangeville is \$636,600. Owen Sound is to have a big day the 24th,

but Markdale takes the cake. B. Allen, M. P., returned to Owen Sound, from Ottawa, last week.

J. J. Middleton, of Dundalk, has opened a branch store at Melancthon.

Shelburne has commuted the statute labor at 60 cts. per day for this year. Mr. James Manfield, near Chesley, was killed by a falling tree, on Friday the 5th of

Mr. Jas. Broderick has sold his Hotel business, in Dundalk, to Mr. Wm. Morrison,

of Proton. Mr. John Jelly, of Shelburne, contem plates erecting a large brick hotel on the site

of the skating rink next season. Hornings Mills expect the Credit Valley Railway to extend that way, and the boom has struck the place in consequence.

The Meaford Mirror says "the Durham A. O. U. W. has had a very prosperous year." The lodge was organized two week ago. The Dundalk Herald gave the police trus-

tees of that place a lengthy reminder last week, and before he got through they were out on duty. Mr. Abraham Johnston, bricklayer of Chesley, was buried in his brick kiln by the roof falling in on him, breaking his leg and

dislocating his ankle. The Toronto, Grey & Bruce Railway Company have imported 10,000 larch trees from Scotland, which will be planted along the line as rapidly as possible.

An unsuccessfull attempt to burglarise the store of Mr. E. A. Goodeve, Hanover, was made recently, the barking of a dog is supposed to have frightened the rascals. The By-law for a free library was voted on in Meaford, on Monday the 7th, and was a

tie, the returning officer Mr. John Albury, gave the casting vote against the by-law. We notice with surprise in the Manitoulin' Expositor dated 28th of April, which has just come to hand, that they have a very fine spring season on the Island, and some

of the farmers were through seeding in April.

The last assessment of Owen Sound shows a total assessment of \$1,362.647, and a population of 4.519, while Collingwood is 5,111 of a population, and a valuation of \$1, 070,630. and Meaford 1,815 of a population and \$385,398 assessment.

On the 11th of June Orangeville will vote on a by-law to grant Stevenson and Graham, woollen manufacturers, a loan of six thousand dollars for e ght years without interest, together with exemption from taxes for the same period, to enable them to enlarge their

business.

Flesherton. (From our own Correspondent.)

OBITUARY. The sad duty devolves upon me at this time of recording the death of Miss Effic Vandusen at the early age of 18 years, 6 months and 22 days, which took place at the village of Flesherton, on Friday morning the 11th inst., about a week before this she was as well as usual and even within a few days of her death she was not thought to be dangerously ill. But when the heart is diseased it gives very little warning before it takes its victim. All the Medical Skill that could be brought to bear on the case by Drs. Chris-

toe and Barnhart was of no avail. Miss Vandusen joined the Presbyterian Church at Chatsworth when she was 12 yrs. of age, and since then she has been an exemplary Christian. Since she came to Flesherton she has been an earnest worker in the Church and Sabbath School; her place as a

Sabbath School teacher will be hard to fill. In accordance with her last request she was buried in Chatsworth beside her little sister Lydia. The funeral which took place on Monday was very largely attended, when the procession was leaving to meet the train. all the places of bussiness were closed out of respect for the deceased, Rev. A. Wilson conducted the funeral services at Flesherton. At Chatsworth, the sevrvices were concluded by Rev. Jas. Cameron and Rev. A. Wilson both of these gentlemen delivered very fine addresses. The coffin which was obtained by Mr. Hooper, from Toronto, was a fine and Repainting all classes of Carriage Work. specimen of workmanship, it was covered with beautiful wreathes of flowers presented

> by the friends of the deceased. The procession from Chatsworth Station to the church was very large, being made up of a large number who followed the remains from Fiesherton and an equily large number who congregated there to meet the remains of their dear frie.d.
