 FOOT RACE.—On Friday last two young bloods from Montreal, (travelers) named Mann and Trees succeeded in drumming up a foot race with our townsman, Mr. Jas. McDougall. Mr. Mann first had a race of 100 yards coming in a short distance in the rear, after which Trees, who claims to be the best amateur runner in Canada and who has taken three medals at the Montreal games, induced McDougall to try a race with him. By this time quite an interest was excited and money put up. After making a number of false starts they got off together, McDougall taking the lead and winning an easy victory, relieving the Montreal boys of some \$15.

SHANAHAN'S CARRIAGE WORKS.
 Since starting business in this place two years ago, Mr. D. J. Shanahan has shown an amount of enterprise and push which is truly commendable. The buildings have been enlarged and fitted up throughout, and are now perhaps the most extensive in the county, yet the immense stock of material together with the large number of rigs of various dimensions which are now nearing completion, fill the premises from top to bottom. The success which attended Mr. Shanahan's efforts the past year, and the reputation his works already have for good material and excellence of workmanship and finish, has prompted him to risk a much greater outlay this season, consequently he is building about 75 wheeled rigs, about 21 of which will be finished by the 24th of May, independent of a number already gone out, and the public who may visit Markdale that day are cordially invited to examine for themselves while in town. The work turned out by this establishment, are indeed of superior workmanship and finish, and it will be to the advantage of those who contemplate a purchase to inspect Shanahan's fine display.

 Right splendid good oil. (and Fall
 Don't be misled by statements bland,
 Insist upon having the very best brand,
 Now good as ever, in fact it is grand,
 Everlasting wear without grit or sand,
 Machines run smoothly, no jarring or noise,
 And engines too in its use rejoice.
 Carding also suits, as you plainly see,
 Heavy gristing cannot do without me.
 In fact all machines are blessed by its use,
 New or old it will save from wear and abuse,
 Every man try it, we are sure it will please.
