MANHOOD
NOW LOST, NOW RESTORED
 We have recently published a new
 edition of Dr. CULVERWELL'S CELE-
 BRATED ESSAY on the radical and
 permanent cure (without medicine) of Ner-
 vous Debility, Mental and Physical Incapac-
 ity, Impediments to Marriage, &c., resulting
 from excesses.
 Price, in sealed envelope, only 6 cents,
 or two postage stamps.
 The celebrated author, in this admirable
 Essay, clearly demonstrates, from thirty
 years' successful practice, that alarming con-
 sequences may be radically cured without the
 dangerous use of internal medicines or the
 use of the knife; pointing out a mode of cure
 at once simple, certain and effectual, by
 means of which every sufferer, no matter
 what his condition may be, may cure himself
 cheaply, privately and radically.
 This Lecture should be in the hands of
 every youth and every man in the land.

**Sayings and Siftings from Sur-
 rounding Sections Sorted and
 Sized for the Standard.**

Rev. Jas. Scott has returned to Owen
 Sound from Florida, where he has spent the
 last two winters.

The old stone storehouse at the shore end
 of Boyd's wharf, Owen Sound, was burned
 recently. A spark from a passing engine is
 supposed to have been the cause.

The Railway Company are making ex-
 tensive improvements at their dock and sta-
 tion at Owen Sound. The freight shed has
 already been enlarged to a considerable ex-
 tent, and the dock accommodation is being
 largely increased to meet the requirements
 of the rapidly increasing trade. We under-
 stand it is the intention, when the improve-
 ments are completed, to have a stationary
 engine on the dock with a crane for moving
 heavy freight between cars and vessels.—O.
 S. Times.

A tug of war took place at Ingersoll on the
 24th between the Police forces of Toronto
 and Hamilton, the former winning in two
 straight heats.

ACCIDENT.—While house cleaning on Fri-
 day, Mrs. B. O'Connor of this town fell from
 a step ladder breaking one of her legs in two
 places. Under skilful medical treatment
 she is progressing as well as could be expect-
 ed.—Owen Sound Advertiser.

Durham.
 Mr. Geo. Bailey's house had a very
 narrow escape from fire on Monday
 last.

The Bank of Commerce are about
 closing their branch here.

SOUTH GREY TEACHERS' ASSOCIATION.—
 The Semi-annual meeting of this Associa-
 tion was held in this village on Tuesday and
 Wednesday the 22nd and 23rd May. There
 was a larger attendance of Teachers, although
 the weather was anything but favorable. Mr.
 McMaster, the President, called the meeting
 to order and after prayer by Mr. Ferguson,
 Inspector, the President read a very practical
 address to the teachers. Dr. McLellan of
 Toronto, delivered addresses on "The art of
 Questioning," "Intelligent teaching of simple
 rules" and "The Teacher and his work." Mr.
 Tait, of Collingwood, gave addresses on
 "Text books, what the are and what they
 ought to be" and also on "How to teach Ge-
 ometry to beginners." Mr. McCabe, of Dur-
 ham read a paper on "The Teacher's posi-
 tion and his salary." Mr. Ferguson, Inspec-
 tor, read a paper on "A Glance at the pas
 year." Mr. De LaMater, of Owen Sound,
 gave an address on "Trustee Boards." Mr.
 Rundle, of Dundalk, had a paper on "Musci
 in Schools." Mr. Patterson, of Maxwell took
 up "Decimal Fractions." Mr. J. C. Buchanan
 read a paper on "Agricultural Chemistry in
 Schools," and Mr. Bain, Sec'y, read a paper
 for Mr. Bied on "Teacher's patience." Dur-
 ing the first day a number of drawings were
 exhibited from Flesherton and other schools
 which were highly creditable to the scholars.
 A number of questions from the "Question
 Paper" were answered. Mr. Tait, of Colling-
 wood solved the difficult problems in Natural
 Philosophy and Arithmetic. The following
 resolution was put to the meeting and car-
 ried, That all Teachers in South Grey shall
 pay into the funds of the Association the
 sum of \$1 yearly, for which sum each Teach-
 er shall receive the Canadian School Journal
 and the use of the Teachers' Library. On
 the evening of the first day an entertainment
 was held in the Town Hall. Mr. Anderson
 rendered some fine Scotch Songs. Mr. Tait
 gave a number of excellent recitations and
 Dr. McLellan delivered his popular lecture
 "This Canada of Ours." As a public lecturer
 the Dr. cannot be surpassed. In fact the
 lecture was a marvel of eloquence, patriotism
 and elocution.

The officers elected for next year are
 J. C. Bain, President; C. Ramage, Vice-Pres-
 ident; M. P. McMaster, Secy-Treas.; Man-
 aging Committee, Messrs. Gorsline, Dunbar,
 Smith and Clark; Delegate, J. C. Bain;
 Auditors, Messrs. Gorsline and McArthur.

This was considered to be the best meeting
 ever held by the Teachers of South Grey.
 The next meeting will be held at Durham
 in October.

24TH MAY.—The Ladies Aid of Presby-
 terian Church celebrated the evening of the
 24th, by giving an entertainment in the
 Town Hall. Mr. M. Richardson very ably
 filled the chair; the programme was well
 sustained by songs from Mr. Anderson,
 music by Miss McDowell; readings by Mr.
 Fawcett and Mr. McMaster; Recitation by
 Miss Hopkins; Song by Miss Ada Sprongle;
 Music by Mr. Campbell, Speeches by Rev. A.
 Wilson and Dr. Christie, and recitation by
 Mr. J. Blackburne. The ladies are to be
 congratulated on the success of their en-
 tertainment. Proceeds at the door \$25.00.

CHANGE OF PULPITS.—Rev. Mr. Forest of
 Dundalk preached in the Town Hall (Pres-
 byterian) last Sabbath, and Rev. A. Wilson
 preached at Dundalk.

THE DIGNITY OF THE COURT UPHOLD.—On
 Monday as Mr. J. W. Armstrong, Clerk of
 Division Court, accompanied by four of his
 family and Mr. Aikhead of Torvot were
 driving out on a fishing expedition, one of
 the seats of the buggy upset and emptied
 the contents on the road. Master Wesley
 had one arm knocked out of joint. The
 others escaped serious injury. Dr. Chris-
 topher was called and replaced the wounded
 limb. We are happy to inform you that the
 dignity of the court was upheld by Mr. J. W.
 Armstrong retaining his seat.
