We understand it is the intention of our city fathers to complete the sidewalk to the station together with other repairs as soon as statute labor commences, which will be shortly.  
Christ church grounds have been very nicely arranged and beautified, walks made and flowers planted, making them very attractive. Rev. Mr. Ward deserves great credit for his taste in keeping the church surroundings so neat and in such order.  
**ACCIDENT.**—On Tuesday, a horse belonging to Wm. Haskett, took fright at the cars while in the station yard and ran to mill street, then turning up the railway track fell in the cattle guard breaking his leg at the fetlock joint. We are in receipt of a copy of a neat and spicy paper, the "Moosegaw News," from Robert Kells, son of Thos. Kells, Esq., of Artemesia, who has pitched his tent in that rising city, on the C. P. Ry. This paper is dated the 11th day of May, at which time there were in the place over 100 buildings, while two months previous there was but two solitary houses. We are pleased to know that Robert is doing well in the N. W. and have no doubt that he will make his mark up there.  
**ANOTHER FIRE SCARE.**—On Tuesday about 5 p. m. the alarm of fire was given, when the woodshed of Mr. Gill, on Mill Street, was found in a blaze. Had it not been for the well directed efforts of our citizens who were on hand in good time, together with a good supply of water, the damage would have been much more serious, as it was the fire was confined to the shed, which was consumed. The fire originated from a dish of ashes emptied in the woodshed by a little child. Mr. Gill recently purchased the property and has no insurance on the house, and though not an expensive one, he could ill afford to lose it. He is a very industrious citizen, a painter by trade.
