

MISCELLANEOUS.

A GENERAL STAMPEDE.

Never was such a rush made for any Drug Store as is now at A. Turner & Co's for a Trial Bottle of Dr. King's New Discovery for Consumption, Coughs and Colds.

Towns are now being visited by swindlers who call themselves agents for some city dyeing establishment.

TRUE TO HER TRUST.

Too much cannot be said of the ever faithful wife and mother, constantly watching and caring for her dear ones, never neglecting a single duty in their behalf.

A High School Master and a young lady student recently met, the subject of conversation naturally being the recent examinations: Master—"Your marks are very low, and you have only just passed."

MILLIONS GIVEN AWAY.

Millions of bottles of Dr. King's New Discovery for Consumption, Coughs and Colds, have been given away as Trial Bottles of the large size.

"Your Honor," said a lawyer to the judge, every man who knows me knows that I am incapable of leading my aid to a mean cause.

MCGREGORS SPEEDY CURE.

From the many remarkable cures wrought by using McGregors Speedy Cure for Dyspepsia, Indigestion, Constipation and Affection of the Liver and from the immense sale of it without any advertising, we have concluded to place it extensively on the market.

NIAGARA FALLS, Sept. 2.—At Niagara Falls yesterday afternoon Horace Davenport, of Surbiton, England started from the foot of the inclined railway in Prospect Park to indulge in a swim across the river.

THE GREATEST HEALING COMPOUND is a preparation of carbolic acid, vaseline and cerate called McGregor & Parks' Carbolic Cerate.

Our correspondents will do well to bear in mind that their copy will require to reach us on Tuesday, to insure an insertion the same week.

THE QUESTION HAS OFTEN BEEN ASKED.

Can—Rupture—(abdominal hernia) be cured? We most emphatically say, YES. That this part of the body offers no exception to those physiological laws which govern the whole physical economy and it makes not a particle of difference whether the age of the Rupture is one year or a hundred years.
