Farmers having Fat Cattle, Sheep, or Pigs to dispose of will do well to call at No. 8 Burns' Block, opposite the new Union Block. Markdale, Oct. 25th, 1881

STARTLING DISCOVERY!

LOST MANHOOD RESTORED. A victim of youthful imprudence, suffering from Nervous Debility, Lost Manhood, etc., having tried in vain every known remedy, has discovered a simple, safe, and reliable cure, which he offers to all sufferers, at the following address: Dr. J. H. BROWN, 28 Chestnut St., N. Y.

Williamsford.

Council met in Vogan's new Hall, on Saturday.

Mrs. John Deavitt, has returned from a visit to the North West.

Mr. Hall, the tailor, has left this place, having accepted a situation in Orangeville.

Miss White, daughter of Mr. John White, of Montrose, and late of Holland, is now visiting in this Township.

Mrs. A. G. Hamilton, of Manitoba, formerly of Markdale, and family, are visiting friends in this vicinity at present.

The show fair to be held here on 4th Oct., promises to be a success. The Tp. Council granted \$20 to the society.

Mr. C. Price has built a dwelling and post office opposite Mr. Foster's store, and is now residing in his new premises.

Mr. Dickie, station agent, has resigned his position, Mr. F. Hinchy now fills his place, and is quite an improvement on the past.

Mr. Foster has made more room in his store by removing partitions and extending the shop full length of the building, he has it well filled with seasonable goods, and is making quite a stir. He is making preparations to build a grain house which he expects to have ready for grain by the 15th November. Messrs. Armstrong & Hent have the contract. The store house is to have a capacity of 15,000 bushels.

Prepare Winter Clothing Now.

Sudden changes of temperature, and cold, penetrating winds may now be looked for, and it is prudent to be ready to meet them promptly. Strong vigorous persons, in full blood, may resist a fall of twenty or thirty degrees in the thermometer, but none are sure of doing so. A change from 50 to 40 or 30, before the system is inured to cold, is more felt than 0 in December and January. So, good warm under and other clothing should be at hand for instant use when an unexpected northerly blast comes. A cold caught in autumn is apt to last a long time, if it do not change to terminate fatally. Let the winter apparel be looked over at once, mended and remodeled, and new clothing ordered. Tailors and seamstresses, if to be employed, will be over-busy, and less accommodating later on than now, and fabrics are in more variety at the stores, and cost no more now than later. To double protect the throat and lungs, line the undershirt inside, both back and front and well down the waist, with warm soft flannel. Give special care also to the feet and limbs. Home-knit stockings of soft wool are by far the best. Line the knees and heels of children's with flannel. —American Agriculturist of October.

Thornbury people expect to have a new skating rink for the coming winter.

Archibald McLellan, formerly of Durham, was tried last week in Toronto for obtaining good under false pretense, has been in prison several months awaiting his trial and another month added to his confinement there as a result of the charge.

The Methodist General Conference has decided that the name of the united churches shall be "The Methodist Church." The United Methodist church will now be the largest Protestant denomination in the dominion. According to the census the four denominations who may now be regarded as follows:

Methodist Church of Canada	582,968
Episcopal Methodist	108,379
Bible Christian	27,286
Primitive Methodist	25,680
Total	739,160

The Presbyterian Church numbers 629,380, and the church of England 574,818. Before the Union the Presbyterian body was the most numerous of any one denomination of Protestants; by the union the Methodist Church is made to stand first in point of numbers.
