**The Property Qualification of
Councillors.**

A change was made in the property
qualification of municipal councillors
at last session of the Ontario Legis-
lature, the particulars of which may
prove interesting to our readers, as
our municipal election is drawing
nigh. The change made really does
not effect the qualification that has
been in force for several years past,
but merely provides for the election of
others in certain circumstances in ad-
dition to those possessed of the old
qualification, which is still in force, as
will be seen by the following extracts
from pages 181 and 182 of the On-
tario statutes of 1883:—

"73. The persons qualified to be
elected Mayors, Aldermen, Reeves,
Deputy-Reeves, and Councillors of
any Municipality, shall be such per-
sons as reside within the municipality
or within two miles thereof, and are
natural born or naturalized subjects
of Her Majesty, and males of the full
age of 21 years, and are not disquali-
fied under this Act, and have, at the
time of their election, in their own
right, or in the right of their wives,
as proprietors or tenants, a legal or
equitable freehold or leasehold, or
partly freehold or partly leasehold, or
partly legal and partly equitable, rat-
ed on their own names on the last
revised assessment roll of the Muni-
cipality to at least the value following,
over and above all charges, liens, and
encumbrances affecting the same:—

(1) In incorporated villages—Free-
hold to \$600, or leasehold to \$1,200,
(2) In Towns—Freehold to \$800,
or leasehold to \$1,600,
(3) In cities—Freehold to \$1,500,
or leasehold to \$3,000,
(4) In Townships—Freehold to
\$400, or leasehold to \$800.

And so in the same proportions in
all Municipalities, in case the prop-
erty is partly freehold and partly lease-
hold.
To the foregoing has been added
the following new sub-section:—
"But if with any Township any
such person is at the time of election
in actual occupation of any such free-
hold rate in his own name on the last
revised assessment roll of said town-
ship, he will be entitled to be elected
as Reeve, Deputy-Reeve or Councill-
or of said Township if the value at
which such freehold is actually rated
in said assessment roll amounts to
not less than \$4000, and for this pur-
pose the said value shall not be affect-
ed or reduced by any lien, incum-
brance or charge existing on or affect-
ing such freehold."

Flesherton Station.
From a correspondent.
The grist mill is still idle.
Our new station agent is an efficient
and obliging man.

Thos. Addison, the implement agent
has accepted a situation as district
agent for Noxon Bros. of Ingersol.
He will move shortly to Barrie. Mr.
Addison is an active and reliable man
and we wish him every success.

Chatsworth.
From a correspondent.
R. Green has returned, and is now
bound to keep the place for twelve
months.

We had about an inch of snow last
Thursday.
Mr. McFerr has added a story to
the height of his dwelling, and is re-
pairing it generally.

Very little worth noting this week,
the indications are that winter is near
but I suppose you know that your-
self as well as the readers of the
STANDARD.

(The above was crowded out last
week. Ed.)
TRUE merit brings its own reward,
in the case of Burdock Blood Bitters
it is rapidly bringing its reward in its
increased sales, as a prominent Drug-
gist recently said, "it now sells on its
merits;" It is the grand specific for
diseases of the blood, liver and kidneys,
5,000 bottles have been sold during
the last three months. For sale by A.
Turner & Co. Markdale.
