**MISCELLANEOUS.**

**THE GREATEST HEALING COMPOUND**  
is a preparation of carbolic acid, vaseline and cerate called McGreggor & Parks's Carbolic Cerate. It will cure any sore, cut, burn or bruise when all other preparations fail. Call at Hill Bros. General Store and get a package. Twenty-five cents is all it costs.

THE STANDARD to the end of 1884 to new subscribers for \$1.00, cash.

**KRAM'S FLUID LIGHTNING**  
Is the only instantaneous relief for Neuralgia, Headache, Toothache, etc. Rubbing a few drops briskly is all that is needed. No taking in nauseous medicines for weeks, but one minute's application removes all pain and will prove the great value of Kram's Fluid Lightning. Twenty-five cents per bottle at Hill Bros. General Store.

The United States Treasury report shows a decrease in surplus revenue of \$12,664,000.

**MCGREGGORS SPEEDY CURE.**

From the many remarkable cures wrought by using McGreggor's Speedy Cure for Dyspepsia, Indigestion, Constipation and Affection of the Liver and from the immense sale of it without any advertising, we have concluded to place it extensively on the market, so that those who suffer may have a perfect cure. Go to Hill Bros. General Store and get a trial bottle free, or the regular size at fifty cents or one dollar.

The Toronto Daily World clubbed with the STANDARD the balance of this and all of next year for \$3.50.

**FORTUNES FOR FARMERS AND MECHANICS.**

Thousands of dollars can be saved by using proper judgement in taking care of the health of your self and family. If you are Bilious, have sallow complexion, poor appetite, low and depressed spirits, and generally debilitated, do not delay a moment, but go at once and procure a bottle of those Electric Bitters, which never fail to cure, and that for the trifling sum of fifty cents.—Tribune. Sold by A. Turner & Co.

England is experiencing a cold snap, accompanied by heavy snowfalls in some places.

**WOMAN'S TRUE FRIEND.**

A friend in need is a friend in deed. This none can deny, especially when assistance is rendered when one is sorely afflicted with diseases, more particularly those complaints and weakness so common to our female population. Every woman should know that Electric Bitters are Woman's true friend, and will positively restore her to health, even when all other remedies fail. A single trial always proves our assertion. They are pleasant to the taste, and only cost fifty cents a bottle. Sold by A. Turner & Co.

The reports from all points in the lake region show that there was widespread damage by the storm of Sunday night and Monday. The loss of life was exceedingly small considering the number of disasters on the lakes. The keeper of the Colchester Reef light-ship was believed to be in danger, and a tug has been sent to rescue him.

**NEVER GIVE UP.**

If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at fifty cents a bottle by A. Turner & Co., Markdale.

**ANOTHER VICTIM.**—On Tuesday evening of last week an old man named John McKernan, a laborer, came to Mr. Jno. Tucker, for whom he occasionally worked, and borrowed 25 cts., ostensibly to pay for his supper, promising to come to work the next day. Next day he did not come to work as he promised; but nothing was thought of it till Friday morning, when on the dry dock being pumped out his body was found there. A bottle of whiskey, half emptied, showed the use he made of the 25 cts., and the cause of his death. As he had evidently fallen in by accident while intoxicated, it was not deemed necessary to hold an inquest.—O. S. Times.

**THE SHIPPING INTERESTS OF OWEN SOUND.**—As we go to press the harbor is full of steamers and sailing vessels loading for Georgian Bay and Lake Superior ports. Among the boats which are loading we may mention the Magnet, Africa, Argyle, Enterprise, Bentley, Fannie Campbell, Robb, and Elgin. The amount of freight to be moved here far exceeded the expectations of the Owen Sound S. S. Company, and they have had to add vessel after vessel to the fleet to move the freight so freely sent forward since the change in management of the Toronto, Grey and Bruce Railway. The through trade via Owen Sound has become of great importance, and the position of the port of Owen Sound will always command a large share of the trade of Toronto and the northern and western portions of Ontario. Owen Sound has now practically three railways, although only one terminates here. The connections, however, of the Credit Valley, Hamilton & North-Western and Toronto, Grey & Bruce are so close that we have the same service as if the three roads ran in here. Next year we look for a still further development of the trade so auspiciously begun in the present season.—O. S. Advertiser.
