SLEIGHING has been tolerable good this week and our streets have been literally black with teams hauling wood and grain to market, business has consequently been exceedingly brisk.

WE REGRET to say, owing to a number of the publishers of this county holding aloof, the meeting for the purpose of forming a publishers association which was to have taken place in Markdale on the 7th December is adjourned indefinitely.

AN OLD GENTLEMAN up west stepped on the train to say good-bye and k—s. his better half on her leaving to visit friends in Markdale. The train moved off while he was in the coach and carried him to the next station, 8 miles. He was none the worse.

MISS BELL, the Toronto girl who made such an exhibition of herself in Guelph about 10 days since, was found guilty on Monday of attempting to sell a livery vehicle, having disguised herself by appearing in male attire, she however was liberated owing to her former, good conduct and character. It's not after a woman wears the breeches before she is married.

FIRE.—About 2 o'clock on Friday morning last a fire broke out Mr. R. Wrightman's storehouse in the rear of his drug store, on Poulett-street. The Fire Brigad was promptly on the spot and soon succeeded in extinguishing the flames. There was a large quantity of whiskey, oil, etc., etc. in the building, which was partly destroyed. Mr. Wrightman attributes the fire to the work of an incendiary, as it was not possible for the fire to originate in any other way. The total loss is about \$900, partly covered by insurance.—O. S. Advertiser.

FOR FIRST class axe handles go to Finnerty's shop, Elizabeth st., opposite the bank, Markdale. You can bring your own timber and have them made to order, or you can get them all ready made at the shop. Sign of the Big Axe Handle. 169-72

STAGE CHANGE.—Mr. Hanna of Flesherton has purchased the Durham and Flesherton stage fine, and employed Mr. W. J. Strain as driver. Mr. Strain is a steady, obliging young man, and no doubt will give good satisfaction, and soon become a general favorite with the travelling public.

His presence will be missed among the boys and young men of the town, with whom he was a general favorite. TRUE merit brings its own reward, in the case of Burdock Blood Bitters it is rapidly bringing its reward in its increased sales, as a prominent druggist recently said, "it now sells on its merits." It is the grand specific for diseases of the blood, liver and kidneys, \$5,000 bottles have been sold during the last three months. For sale by A. Turner & Co. Markdale.

LIBERAL CONSERVATIVE ASSOCIATION.—The annual meeting of the East Grey Liberal Conservative Association, for the purpose of electing officers, and transacting other important business, will be held in the Town Hall, Flesherton, on Friday, December the 14th, 1884, at 2 o'clock p. m. sharp. It is important that all sections of the riding be fully represented, as business affecting all parts of the riding will be discussed.

SETTLING UP.—The season of the year when all accounts should be settled, and how desirable it is that each and all make a determined effort to that end, true there are very many who are unable to pay all their accounts in full, yet there are none who may not have their affairs put in a shape so they will know how they stand and thus save the unpleasant duty, when pay day does arrive, of going over many years accounts with a view to a final settlement.

OUR gymnasium club, organized a little over a month ago, is we are glad to say in a flourishing state, and we are doubly pleased to see that the young men of Markdale can find something profitable to engage themselves evenings. As there is a repugnance to practicing before strangers or non-members until they are prepared to give an entertainment, they have passed a rule that none other than members be allowed in the hall, which, henceforth will be strictly adhered to. We commend their action.

IN WINTER QUARTERS.—Our Owen Sound fleet has had a fairly successful season, and we have fortunately not been called upon to record any such dire disasters as some past seasons have been marked with. The following craft are now being laid up here for the winter, and will all have more or less repairs done during the period between the closing and the opening of navigation:—The Campana, Frances Smith, Magnet, Africa, Meteor, Pratt, schooner Bentley, tug Robb steamer Neff, and schooner Jane Woodruff are all laid up for the season. The Enterprise, City of Owen Sound, and schooners Tilly Hamilton and Lady McDonald are still out, but will winter here.—Advertiser.
