ACCIDENT.—Mr. Reuben Middaugh of Melancthon fell off the roof of Mr. Patrick Shane's house on Saturday last and broke his right wrist. Dr. Norton attended the sufferer.—Shelburne Free Press.

National Pills are sugar coated, mild but thorough, and are the best Stomach and Liver Pill in use.

ALMOST A FIRE.—A lantern in the stables of Jennings's Hotel exploded on Sunday night, and had the accident not been discovered by a passer-by serious results would have followed.—Shelburne Free Press.

"Why! What's the matter?" Lady—(With face enveloped in roll of hot cloths)—"Oh! I'm crazy with that Neuralgia that continually troubles me."—"Well, how foolish! Why don't you go to Hill Bro's, and get bottle of Fluid Lightning? It cured me in less than one minute. I always keep a bottle in the house. It only costs 25 cents. A. & M. 2

Among the despatches from the south describing the ruin and death by cyclones and floods, the murders and other crimes, is one which says that hundreds are starving to death in South Carolina for want of food. The condition of the Southern States is worse than that of Ireland.

HAY FORK AGENTS.—Jas. Ridden, James Cook and O. Fairbanks, farmers of the township of Kingston, have been victimized out of \$200 by the alleged agents of hay forks. They were asked to sign an agreement which afterwards turned out to be a note. Farmers look out for these gents; they may call on you!

Feaver colic, unnatural appetite, fretfulness, weakness, and convulsions, are some of the effects of worms in Children; destroy the worms with Dr. Low's Worm Syrup.

LOST A HORSE.—On Wednesday evening last as Mr. Neil McDonald was driving up the Garafraxa Road and about a mile and a half north of Durham, one of his horses fell over the embankment of the road and broke its neck. This is a serious loss to Mr. McDonald at this season of the year, and as the horse was a good one.—Durham Review.

The Hectic Flush, pale hallow cheeks and precarious appetite, indicate Worms. Freeman's Worm Powders will quickly and effectually remove them.

Georgia has just had another cyclone, which blew down buildings, destroyed crops, killed men and women, and blew away babies. If there are any land companies down that way they must have a hard time of it explaining to the emigrant the ways of the cyclone and the desirability of living in a place where it makes such frequent visits.

WHAT IS LARDINE.

Ask any farmer, thresher or saw mill man, or in fact any man who runs machinery of any kind and he will tell you that it is the only machine Oil which will wear equal to Castor Oil, and won't gum or clog your machinery. For sale at Haskett Bro's, Markdale. 176-215

THE WORLD AT AN END.—We are sorry to learn that the publication of the Toronto World has been discontinued. The World was independent, fearless and outspoken, and was conducted with great ability. It is a very costly undertaking to publish a daily paper, especially in Toronto, where the field is so well occupied.

A BAD CASE OF STARVATION.

To starve the lungs by a lack of vital food contained in pure air. If the lungs are obstructed by colds, remove the accumulated phlegm with that safe and pleasant throat and lung remedy, Hagyard's Pectoral Balsam.

FIRE.—On Sunday morning, about 5 o'clock fire was discovered in a stable belonging to Witters Hotel, and soon the building and its contents were destroyed. There were twelve sheep in the building besides a quantity of implements. The loss to Mr. Witter is heavy and he had no insurance. Incendiarism is suspected.—Orangeville Advertiser.

A HANDY SURGEON.

As a dressing for all manner of flesh wounds there is nothing better than Hagyard's Yellow Oil. It cleanses, allays pain, subdues inflammation and heals without a scar or stiffness of the parts injured. It is equally valuable as a pain remedy for internal use.

A PRIZE. Send six cents for postage, and receive free, a costly box of goods which will help all, of either sex to more money right away than anything else in this world. Fortunes await the workers absolutely sure. At once address Taz & Co., Augusta, Maine. 187-222

IT IS NATURAL.

It is natural for some people to be bilious, being often a result of peculiar bilious temperament, which with high living too greasy food, indigestion from inactive liver, is the frequent cause. The remedy, above all others, is Burdock Blood Bitters. It is highly curative for all bilious complaints, and far better than physic for inactive conditions of the bowels.

The Lord's Army is undoubtedly doing a good work in Shelburne. On Sunday last and Monday evening a large number of persons expressed their strong conviction of the error of their ways in the past and their firm determination to lead a better life. People of nearly all Christian denominations are now joining hands and bidding the Army God-speed in their efforts to save souls.—Shelburne Economist.

DON'T BE GIDDY.

Many people are troubled with giddiness or dizziness, which is generally a sign of disordered digestion or unequal circulation. Burdock Blood Bitters restores the digestive powers, promotes a healthy circulation of the vital fluids, allays nervous irritation, thus curing headache and giddiness.

The Salvation Army continues to draw large crowds every night, and the interest seems to be on the increase. There exists quite a variety of opinions as to the good done, or the reverse, in the religious field. Our view of the matter is that so long as they don't infringe on private rights and annoy anybody they should be permitted to try what they can do in the way of civilizing humanity. The exercises seem to be enjoyed by hundreds of the youths in town.—Meaford Monitor.

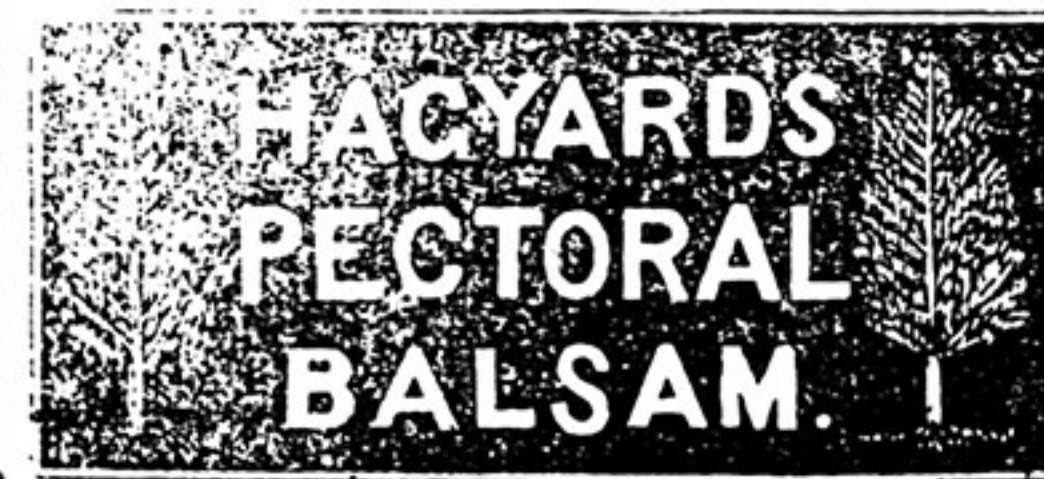

A RUN FOR THE DOCTOR.

Is generally the first thing in case of an injury, but a doctor cannot always respond to the call. If you have Hagyard's Yellow Oil at hand, you have a reliable remedy for all wounds, injuries and pain. It has saved life when even doctors had abandoned hope. Keep it ready for use.

NEW BUILDINGS.—There will be considerable building operations in Durham, this summer. The basement of the new Methodist Church is being rapidly excavated, and the old frame has been raised the required height. The work on the Bank has been commenced, and considerable brick and stone laid down on the ground, the work will be pushed on quickly as possible. We understand that Mr. Win. Laidlaw and R. McFarlane will erect two fine new brick stores between the Drug Store and the Town Hall this summer, and other improvements are contemplated.—Durham Review.

DANGER SIGNALS.

Reader, if you are troubled with pain, weakness, weariness, and a dragging feeling in the small of the back, with thick, high colored—slimy urine, then you have alarming signals of danger, and should resort to Burdock Blood Bitters, the grand kidney regulator and blood and liver cleansing tonic.

Has no equal for the permanent cure of Croup, Colds, Sore Throat, Asthma, Croup, Whooping Cough, Bronchitis, and all Lung Diseases. Every bottle guaranteed to give satisfaction. T. MILBURN & CO., Proprietors Toronto.
